**SUPPLEMENT TO  
REQUEST FOR ADDITIONAL TIME  
FOR COMPLIANCE FILING**

IN THE MATTER OF THE APPLICATION OF  
ARIZONA WATER COMPANY, AN  
ARIZONA CORPORATION TO EXTEND ITS  
CERTIFICATE OF CONVENIENCE AND  
NECESSITY AT CASA GRANDE, PINAL  
COUNTY, ARIZONA

On March 10, 2014, Arizona Water Company (the "Company") filed an Application for Additional Time for Compliance Filing ("Application") requesting that the Commission extend the compliance deadline under Decision No. 68607 to March 23, 2016.

In paragraph 4 of the Application, the Company stated that it would file additional letters from the owners of the real property located in the extension area approved by Decision No. 68607. The Company has now received, and has attached as Exhibits 8 and 9, the letters from the remaining property owners of real property located in the expansion area. One hundred percent (100%) of the property owners in the extension area who have not completed all compliance items, have now submitted in writing their request for water service from the Company.

The property owner letters confirm the owners' plans to develop their property in reliance upon water service they plan to obtain under the Company's CCN. The continued existence of that CCN will support the slowly improving development market that has experienced historic difficulty, while the withdrawal of that CCN will be detrimental to that recovery.

Pursuant to a request from the Commission Staff, the Company also includes as Exhibit 10 a spreadsheet showing the compliance items the Company has completed, as well as those items that

1 remain unfulfilled due to the economic downturn and slowdown in real property development in this  
2 State.

3 CONCLUSION

4 Accordingly, the Company again respectfully requests that the Commission enter an order  
5 extending its time to file the final compliance items under Decision No. 68607.

6 RESPECTFULLY SUBMITTED this 30th day of June, 2014.

Dear Mr. Spear:

We are following up with you regarding Pinal County Assessor's Parcel Number(s) 402-06-013A, which we own.

Although plans for development have been delayed by the severe recession that is still adversely affecting the Pinal County real estate market, we still need and desire to receive water service from Arizona Water Company to serve this property.

Our current plans include development within the earliest possible time, considering current market conditions, perhaps within the next twenty-four months. If market conditions improve, however, we hope to shorten this timeframe.

If you have any questions, please feel free to contact us.

Sincerely,

Lawrence Land II LLC
