RE: MOTION TO INTERVENE in the Application of Utility Source, LLC for increase in its Rates and Charges for utility service.

DOCKET NO. WS-04235A-13-0331

My name, address, and telephone number are listed below. I wish to intervene in the application for increase in the Water Rates and Charges filed by Utility Source, LLC. I realize I missed the June 6th filing date; however I was under the assumption I had to be either an attorney or a certified CPA. I now know that this is incorrect.

I respectfully ask that you accept my application at this time. I am a residential customer of the named utility and have a vested interest in the ramifications of an addition increase in the water rates.

I hereby certify that a copy of this Notice of Intervention has been mailed to Utility Source, LLC; 20525 E. Chandler Heights Rd, Queen Creek, Az 85142

Respectfully submitted,

Terry Fallon
