## Residential Solar - Company Owned Systems

### AVAILABILITY

Available throughout the Company's entire electric service area where the facilities of the Company are of adequate capacity and configuration and are adjacent to the premises.

### APPLICABILITY

To all Standard Residential Customers with the legal authority to enter a contractual agreement assigning the rights to the Company necessary to allow production of electricity on the Customer's premises using photovoltaic solar equipment as a Renewable Resource. The photovoltaic solar equipment will be owned, operated, and maintained solely by the Company.

### CHARACTER OF SERVICE

The service shall be single-phase or three-phase, 60 Hertz, and at one standard nominal voltage as mutually agreed and subject to availability at point of delivery.

### RATE

A Customer will enter into a contract with the Company for a fixed charge rate for their total net monthly bill before taxes, assessments and other governmental charges. The fixed rate will be \$16.50 per kW based on the capacity of the solar equipment necessary to meet the customer's most recent 12 month historical usage.

The Company shall provide all of the Customer's electricity requirements at the contractual fixed rate, up to 115% of the Customer's contractually established historical annual usage. If in any calendar year a Customer's usage exceeds 115% of the Customer's contractually established average historical annual usage, the customers' fixed energy rate shall be recalculated based on the new annual consumption data for the most recent year.

Additionally, if in any calendar year a customer consumes less than 85% of the contractually established average historical annual usage, the Customer's fixed energy rate shall be recalculated based on the new annual consumption data for the most recent year.

### TERMS AND CONDITIONS OF SERVICE

- 1) Must have been an active customer of the Company in good standing for no less than twelve months.
- 2) Customer will enter into a contract for 25 years. Customer must remain on Residential Solar - Company Owned Systems tariff for term of contract. Customer may terminate service under this tariff through purchase provision, or as otherwise agreed upon by the parties, as set forth in the contract.
- 3) Customer will continue to be charged for all other applicable Commission approved charges (except for the Lost Fixed Cost Revenue charge, the Environmental Compliance Adjustor charge and the Purchased Power and Fuel Adjustment clause charge), Taxes and Assessments.
- 4) The terms and conditions discussed herein are not applicable to any other Company residential tariffs or Riders.
- 5) Customer shall comply with all applicable federal, state, and local laws, regulations, ordinances and codes governing the production and/or sale of electricity.
- 6) A one-time Processing Fee of \$250 will be applied.
- 7) Customer will be subject to terms and conditions as set forth in the contract.

TEP STATEMENT OF CHARGES

For all additional charges and assessments approved by the Arizona Corporation Commission (ACC) see the TEP Statement of Charges which is available on TEP's website at [www.tep.com](http://www.tep.com).

RULES AND REGULATIONS

The standard Rules and Regulations of the Company as on file with the ACC shall apply where not inconsistent with this rate.

TAX CLAUSE

To the charges computed under the above rate, including any adjustments, shall be added the applicable proportionate part of any taxes or governmental impositions which are or may in the future be assessed on the basis of gross revenues of the Company and/or the price or revenue from the electric energy or service sold and/or the volume of energy generated or purchased for sale and/or sold hereunder.
