Comments: This rate increase is unreasonable. If this price hike is granted, our little family will have a hard time making ends meet. Living in the Flagstaff area is expensive and we mostly live off of one income with two small children. We moved to Bellemont because of the great community and more affordable 'life'. We have to bathe our children and do lots of laundry for little boys. Please don't let Utility Source allow many of us hard working families to struggle.
