RE: Docket Nos. W-01303A-09-0343 and SW-01303A-09-0343

DOCKETED BY 

Dear Commissioners:

We, my wife and I, live in the Russell Ranch Community in Maricopa County. We now are past the 10<sup>th</sup> anniversary of our move to an area we love. For the first six or so years our water and wastewater costs are higher than we have paid during many moves to multiple states.

The past several years our wastewater rate has doubled. We have our own wastewater treatment plant in Russell Ranch, paid for by Russell Ranch homeowners, and I have seen no improvements that justify this large rate increase. I understand EPCOR is asking for another rate increase. As no money has been spent by EPCOR for our wastewater treatment plant how can they ask for an additional increase without openly explaining the reasons why?

Sincerely,

Joseph W. Corbett
