21 **STATUS REPORT**

22 Picacho Peak Water Company (“Company”) hereby files its status report  
23 regarding the Company’s compliance with Arizona Department of Environmental  
24 Quality (“ADEQ”) regulations.

25 The Company’s point-of-use treatment systems are working well. The most recent  
26 monitoring tests demonstrated that these systems are treating the water to meet ADEQ’s  
27 standards. After a recent inspection, ADEQ ordered the Company to install monitoring  
28 lights on the point-of-use system. This task was completed in mid-June.
