DOCKETED BY

RE: Ocotillo Modernization Project – Siting Case No. 169, Application for a CEC
Docket No. L-00000D-14-0292-00169

ORIGINAL

Dear Chairman Foreman,

On August 1, 2014, you sent a letter concerning the Arizona Public Service Company (“APS”) application for the issuance of a Certificate of Environmental Compatibility (“CEC”) for an upgrade of the Ocotillo facility at 1500 E. University Drive in Tempe. In the past, when you have invited Arizona Corporation Commission (“Commission”) Utilities Division Staff’s (“Staff”) input on both the technical and legal aspects of an application to the Arizona Power Plant and Transmission Line Siting Committee (“Committee”), Staff has provided a letter setting out Staff’s views. For purposes of this application, the Commission Chairman has designated me to represent him on the Committee. Consequently, in this circumstance I will be providing concerns and perspectives through direct participation on the Committee rather than through the filing of a letter.

Sincerely,

Steven M. Olea
Director
Utilities Division
