My name is Antonio. Docket number W-01303A-10-0448. I live in the Dos Rios Community which is located in the Agua Fria water district. I am so upset about our water rates. We were first time home buyers three years ago and love our community. We are getting married this year and starting to plan for a baby however with our changing water bill we can't really plan for a family. It is really sad that a water bills could dictate our family's path. Currently out bill is \$160 a month and slowly creeps up every month and when there is a rate increase it jumps significantly. This is truly getting unfair for our neighborhood. We are in no way 'richer' than the other neighborhoods do have double, triple or quadruple the water bill payment. This area needs relief. Please help us. We can't afford our water bills and we need help now. We can't survive without water in our house and many have turned to not being able to pay. Soon we will be there too. Our trees are already dying because neighbors have stopped watering them. Therefore we have been getting HOA letters about dead plants. We really need help. It is unfair. Please help now.

Thank you for your time.
