DOCKET NO. W-01732A-12-0315

**NOTICE OF FILING
SIB STATUS REPORT**

11 Willow Valley Water Co., Inc. (“Willow Valley”) submits this SIB status report. The
12 Commission approved a System Improvement Benefit (“SIB”) Mechanism in Decision No. 74364
13 (Feb. 26, 2014). This Decision requires Willow Valley to submit a SIB status report each six
14 months. To date, Willow Valley has not constructed any SIB projects. Willow Valley is
15 progressing on Project #1 for the SIB- Gordon Street Waterline. Willow Valley’s Engineering and
16 Construction Staff conducted a thorough on-site data collection effort and concluded the finite
17 details of the project- including the service lateral installation locations for each individual
18 customer. During this on-site effort, Willow Valley’s staff contacted and met with the appropriate
19 City and County agencies to discuss the details of the projects, obtain the required construction
20 specifications, and determine the necessary permitting processes. The team compiled this
21 information and hired an engineering firm to produce the detailed construction drawings- which
22 have been completed. These drawings will be submitted to a list of pre-selected contractors to
23 obtain bids and award a contract for construction. The company will also submit plans and permit
24 applications to all pertinent governing agencies and obtain all proper approvals prior to mobilizing
25 for construction.
