To whom it may concern.

I object to the rate increase of 4% referred to in Docket No. E1787A-14-0302 of the Navopache Electric Cooperative. Anything more than the rate of inflation is excessive.

Sincerely yours,

Larry Ernst

RE: N.E.C rate increase proposal

Gentleman:

The attached rate increase by Navapache Electric Co. in Showlow, AZ is self explanatory. However they say they are going to streamline their operation by increasing our cost. I may be crazy but streamlining means more efficient which should result in a rate decrease.

It's easy for them to say your rates are to be increased. Its hard for us to find the money to pay for the increase when the salaries, dividends and bonds are reducing the income.

Please give this request serious consideration and keep the rates as they are.

Thank you,
Jay Spear
