DOCKETED BY

As a resident of Sun City, I oppose Docket numbers SW-01303A-09-0343 and WS-01303A-14-0010 which is for Consolidation, SIB and Adjuster Mechanisims in Epcor Water and Wastewater Rate Cases.

EPCOR Water is seeking not only rate increases in water and wastewater in these cases, but they are also seeking significant Adjuster Mechanisms and a System Improvement Benefits ("SIB") mechanism that will more than double the rate increases proposed over the next 5 years in the water case.

We have been fighting consolidation for years and don't understand why this issue is not laid to rest. We do not want consolidation. Please hear us.

Thank you.

Dear Members of the Arizona Corporate Commission:

As residents of Sun City, my wife and I want to express our strong opposition to water and waste water increases proposed by EPCOR.

We also want to go on record as opposing the so-called SIB-System Improvement Benefits and Adjuster Mechanisms. While infrastructure improvements are required along the way, we are disturbed about the possibility of sky-rocketing costs to homeowners, and we urge you to reject this proposal. Furthermore, we are steadfastly opposed to being consolidated with other water districts.

To our way of thinking, all of this adds up to extremely large increases in water and waste water rates over the next few years. We moved to Sun City in 2002 and have found it to be a wonderful retirement community. It is also generally affordable to live here. In the recent past, there already have been some hefty increases in water rates. We are relying on the Arizona Corporate Commission to take prudent steps to rein-in what could be a burdensome added expense for homeowners in Sun City. We are depending on you.

Sincerely,

Paul and Gloria Meeden
