Comments: We own a studio condominium in Embarcadero II located within Greenhaven. Owners at Embarcadero II currently pay \$6.10 per month for sewer service. Greenhaven Water Company's request to raise this rate to around \$41 per month represents an increase in sewer service rates of over 670%. We object to this outrageous rate increase because it would generate revenue well in excess of the cost of sewer service operations; and because it is inequitable to charge STUDIO condominium owners the same rate as the large custom homes that occupy the vast majority of the Greenhaven Water Company's service area.
