Dear Mr Shand: T-20443A-13-0445

DOCKETED BY 

On March 19, 2014, the Arizona Corporation Commission approved Decision No. 74407 (the "Decision"), which approved the merger of Qwest Communications Company, LLC ("QCC"), Qwest LD Corp. ("QLDC"), and Embarq Communications, Inc. ("ECI") into a single new entity named CenturyLink Communications LLC ("CLC").

The attached CLC Competitive Local Exchange Services Tariff No. 3 constitutes a complete reissuance of the former QCC tariff to change the Company name from Qwest Communications Corporation, LLC to CenturyLink Communications LLC. These pages contain no substantive changes to the rates, terms and conditions found therein.

Pursuant to our earlier conversation, as a compliance item in this docket, I am enclosing two paper copies and one electronic copy of the Competitive Local Exchange Services Tariff No. 3. The issue date of the tariff is September 22, 2014. Since this is a compliance tariff and does not require further Commission action to become effective, we have shown the effective date as September 23, 2013. As always, the Company agrees to make any corrections that Staff may subsequently deem necessary in the event that it finds anything inconsistent with the Commission's decisions.

Please let me know if you have any questions about this filing.

Sincerely,

cc: Docket Control - Original and 13 Copies (letter only)
Brian Bozzo - Compliance Manager (letter only)
