Subject: Proposed Rate Hike in Greenthaven AZ

DOCKETED BY [Signature]

Dear Commission,

As a condo owner and board member of the Embarcadero II Condominium Homeowners Association in Greenthaven, Arizona, I am voicing my objection to the proposed rate increase for water and sewer rates. First, no one in the condo complex was advised or consulted about this increase. Second, the proposed sewer rate increase of 550% is outrageous. I don't know if the proponent thought that by asking for a ridiculously high increase everyone would be happy with something still very high but less than the proposal, but it suggests to me that the proposal was not clearly thought out and should be denied in its entirety. Third, the 96 studio condo units affected by this proposed rate increase are only 550 square feet each. Many individuals will not be able to afford this increase. It is unreasonable and should be denied.

Thanks for your consideration,

Lloyd H. Hammonds
Condo Owner and Board Member
