3. Refunds of advances shall be made in accord with the following method: the Company shall each year pay to the party making an advance under a main extension agreement, or that party's assigns or other successors in interest where the Company has received notice and evidence of such assignment or succession, an amount equal to ten per centum (10%) of the total gross annual revenue, less any gross receipts or sales taxes and amounts payable to any municipalities or others for treatment and/or transmission of water from each bonafide customer whose service is connected directly to main or extension mains covered by the main extension agreement.
