DOCKET NOS. W-01303A-09-0343 SW-01303A-09-0343 09 RATE CASE OPPOSED CONSOLIDATION

I am a widow living in Sun City on a fixed income. A oppose the full consolidation of all EPCOR wastewater districts. We older mostly retired people cannot go out and eard additional income, while the districts APCOR is trying to consolidate with ours are compromised of younger people with many families having two incomes. The consolidation issue seems to come up fairly regulary and we will oppose it every time.

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts.

I

Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate

increase if
full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.
Respectfully yours,
