Subject: **Docket No. W-01303A-09-0343; SW-01303A-0-0343,  
Wastewater Rate Design Examination**

- I am opposed to full consolidation of all EPCOR wastewater districts.  
 I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: The rate increases are unfair to  
Sun City residents. Why should we  
have to pay for wealthier residents

Wastewater Rate Design Examination**

- I am opposed to full consolidation of all EPCOR wastewater districts.  
 I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: The districts are apples & oranges & should not  
be combined. An example is we paid for our  
infrastructure in the purchase of our house. Other communities  
the water district paid for the infrastructure. SunCity has  
water rights others do not. Keep SunCity it's own district.

# Smart electricity meters investigated as possible cause of 9 Reno-area fires

SCOTT SONNER  
ASSOCIATED PRESS

RENO — Nevada utility officials said last week they will turn over all data demanded by state regulators investigating whether smart electricity meters pose a fire danger.

The state fire marshal and local fire chiefs sought the preliminary inquiry after investigators linked the meters to nine fires in Reno and Sparks since 2012, with the most recent resulting in a death in July.

In recent years, NV Energy has installed 1.1 million of the devices in homes across Nevada to wirelessly transmit information on power use every 15 minutes.

Officials for the utility say they have investigated and don't think the meters caused any of the blazes but will provide everything requested by regula-

tors.

"Safety is very important to us," NV Energy Vice President Mary Simmons said. "Some of the information may have been inconclusive, but we're not aware of anything that has linked our smart meters to a structural fire."

The Nevada Public Utilities Commission issued the formal order Monday compelling the utility to turn over all documents related to the meters.

The order notes that Oracle Forensics — a private firm hired by fire departments to review the fatal Reno fire and others — concluded a "common failure mode cannot be eliminated and needs to be seriously considered regarding" the meters.

Among other things, the PUC wants copies of all fire investigative reports related to the meters; a list of all meter failures; and fires at or near the meters since 2000.

We are concerned about health issues & how safe these meters are. My husband has a diffuserator in for his heart & has been told to stay away from electromagnetic devices. It's not even to work under the car hood, when it's running. We do not want to be forced into this because Aps wants to charge us more. My husband will look at money first instead of his health. I do not want his health to come second to money. Please do not let Aps increase our bill because we do not want this meter for

STAMP

Thank you make us submit to it. Love Dietrich

 I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: As per my letter in the S.C.W. Independent News  
Sun City West has only 1.66 persons per Roof top - not  
several family/children members like the other districts!  
Much less wastewater is generated!

Sept. 19, 2014

Dear Mr. Stumpf

I am writing en regards to the full consolidation of all EROR waste water districts.

I am one of many Sun City residents living on a fixed income. I had saved for retirement but my savings account is paying about  $\frac{1}{2}$  of 1% in interest. I'll probably out live my savings which is rapidly decreasing. There are many Sun City residents in the same situation. Please give <sup>this</sup> consideration when it comes time to vote.

Sincerely Yours,

JAMES E. OBERLY  
10455 W. BROOKSIDE  
Sun City, AZ.

Re: SW-1303A-09-0343

Dear Corporation Commissioners,

I am opposed to the  
EPCOR full consolidation  
waste water proposal.

I am opposed to an  
89% rate increase since I  
live on a fixed income and  
I am a widow.

Please vote against this  
proposal.

Sincerely,

Delores Lorenz

- I am opposed to full consolidation of all EPCOR wastewater districts.  
 I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: 1) Sun City developer Del Webb and property owners over the years have made provisions for our facilities and such ourselves and paid for same,  
2) newer and upscale areas should pay their own costs (these people should have been aware of utility charges before purchasing their homes),  
3) It's unfair for Sun City to subsidize other areas so that Epcor can be a "hero" to them; most people in Sun City are on fixed incomes and have difficulties in paying their own bills.

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As Sun City, AZ residents, we are requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Colin Jarvis

Meralon "Nolli" Hartwell

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

September 18, 2014

9621 W. Briarwood Circle N.

Sun City, Arizona 85351

Mr. Bob Stump

The Arizona Corporation Commission

1200 W. Washington St.

Phoenix, AZ 85007

Reference: DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343; Additional Docket for Reference: WS-01303A14-0010;

Wastewater Rate Design Examination

To Whom It May Concern:

As residents of Sun City, Arizona, we respectfully request that you do not allow full consolidation of all of the EPCOR wastewater districts. This would be a hardship of residents in our unincorporated community. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience approximately a 90% rate increase over time, if full district consolidation was approved by the Commission.

EPCOR noted in their ACC response that they have projected additional capital improvement costs for the Sun City District of \$9.3 million over the next five years. If full consolidation were to take place, Sun City users would be required to pay an additional \$22.5million over the above mentioned five year period. This equates to subsidizing other district costs in the amount of \$13.2million.

When you consider that offsites, which include water, electric, wastewater (sewer) and natural gas, are installed and paid for when all properties, both commercial and residential are developed and sold, these costs are very excessive and should not be passed on to locations that have been in existence for decades and only require updating of the infrastructure and not full development of offsites as in Mohave County where many, many residents have hauled water and septic tanks, Golden Valley being an example. The additional costs of poor planning errors on the parts of more recent commercial/residential growth should not be absorbed by long existing communities, who cannot afford the large increase in monthly services provided by these large corporations who continually are before your Commission asking for and getting increases.

These corporations should be less mindful of their profit base being lessened, and more mindful of the services they are supplying to the residents they serve. Many, many residents of Sun City are on fixed incomes and even a \$5 per month increase for them means going without needed food or medications

to survive. We, as consumers, continue to see our incomes (let's call them our profits) dwindle as our utilities (APS, EPCOR, COX) continue to raise their rates, as the ACC allows. This does not take into consideration the increases we sustain in increased food and gas costs as well as other needed goods. Are these corporations net profits even checked prior to allowing such increases? Just asking.

When these increases are indiscriminately given, not only does the increase affect each resident but it also affects each business, including the Recreation Centers and golf courses within our community, who also have to increase their fee's to accommodate that increase. So it's a double hit for our residents here.

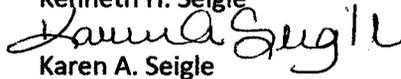

We are respectfully asking that a vote to deny full consideration of the consolidation be denied to EPCOR Wastewater District.

Thank you for your consideration.

Cordially,

Kenneth H. Seigle

Karen A. Seigle

Sun City, Arizona 85373

September 22, 2014

Bob Stump, Chair  
Arizona Corporation Commission  
Commissioners Wing  
1200 W. Washington – 2<sup>nd</sup> Floor  
Phoenix, Arizona 85007

SUBJECT: Docket No. W-01303A-09-0343; SW-01303A-0-0343,  
Wastewater Rate Design Examination.

Dear Mr. Stump,

As are most of the approximately 40,000 residents in our senior community of Sun City, we are on limited fixed income. Increases in services and utilities easily strain the budgets of many of us in our community.

We strongly oppose full consolidation of all EPCOR water and wastewater districts.

A few months ago EPCOR presented to the citizens of Sun City a reasonable plan to increase our rates of both water and wastewater which would cover only the needs of Sun City and promised us we would not be burdened with increases which might be needed by other communities. We had no objection to such a plan.

Now we are being told we face the possibility of much greater increases in our EPCOR rates because of expenses they expect to occur in several other service areas.

We strongly request the Arizona Corporation Commission to reject attempts at consolidation of all EPCOR wastewater districts.

Sincerely,

W JAMES BRASHER

LLOYDENE B. JOHNSON

9-19-14

Arizona Corporation Commission:

We urge you to vote AGAINST

Docket # SW-01303A-09-0343 Wastewater Case  
and  
Docket # WS-01303A-14-0010 Water case

Epcor's consolidation and water rate issues are unfair to those of us living in Sun City and other areas. We urge you to vote against these requests by Epcor.

Thank you.

Marsha E. Davis  
Ronald L. Davis

Mr. Bob Stump  
Arizona Corporation Commission  
Commissioners Wing  
1200 W. Washington – 2<sup>nd</sup> Floor  
Phoenix, Arizona 85007

Subject: Docket No. W-01303A-09-0343; SW-01303A-0-0343, Wastewater Rate Design Examination

Dear Mr. Stump:

I am opposed to full consolidation of all EPCOR wastewater districts. The people of Sun City and Sun City West had already defeated the same measure which American Water tried to pass a few years ago. We still do not want it! We should not be charged additionally for wastewater as per amount of gallons of water used (as per our water bill). Not all water used is wastewater as much of it is from sprinkler systems, therefore, that water goes back into the soil. When Del Webb built Sun City and Sun City West, the water wells (i.e. water) were already paid for by adding it in the price of the house. And your rate increases are not the percentage that you state but are increases of up to 44%, doubling the price within 5 years.

Full consolidation is nothing more than a ploy to increase rates infinitum. My vote is no!

Sincerely,

A handwritten signature in black ink, appearing to read "Mary Holm". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Mary Holm

*Sun City West Resident*

Sept 15, 2014

Dear Mr Stump

Please do not vote  
for consolidation of 5 water  
districts. Here at Sun City West  
we feel it is not in our  
best interest

Thank you  
D Lawrence Ed. D

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Arizona Corporation Commission Members

Attachment to petition concerning sewer rate equalization by Epcor.

I do not understand why this issue has even been brought up except for the fact that other areas are complaining that their costs are higher than ours in Sun City. Sounds very much like the proverb where the workers in the fields complained because the ones who worked the longest were paid the same amount as the last workers to be hired. As you may remember the owner's answer was I agreed to give you so much, you took the job so why are you complaining.

Did not these people in the other districts learn what their utility charges would be so they could verify they would have enough income to pay their charges? I know I found out so that there would be no surprises.

Epcor tries to say they can save money by consolidation. That is just not true as any good computer programmer can set up cost centers for each district in a matter of minutes and they can punch a button and create a bill automatically. I did that many times when I handle construction management for the Arizona Department of Administration in the early 90's It is no new science and takes no time at all.

I am an Arizona Retiree and truly am on a limited, fixed income and as you should be aware we have not had a COLA in years due to the smaller returns of our retirement funds. At 83 years of age, I will probably not ever see a COLA according to the System's financial projections. The type of monthly increase that this plan would cost me and my fellow Sun Citians could adversely affect my cost of living to the effect that my health needs to live out these "Golden Years" would be severely impacted. With this in mind I urge you to disallow these proposals.

From: Sun City Resident

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

*Betty Marie Reich \*\*\*\*\* (Property Owner)*

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

---

Jean M. McGrath

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

---

CLARA SARGOL

Re: **Docket No. W-01303A-09-0343; SW-01303A-09-0343, Wastewater Rate Design Examination**

I am opposed to full consolidation of all EPCOR wastewater districts.

I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: The consolidation plan puts an unfair financial burden on the population of

San City AND does not consider cost of service to our community

I am opposed to full consolidation of all EPCOR wastewater districts.

I am not opposed to full consolidation of all EPCOR wastewater districts.  
*I understand "wastewater" discussion. But it will evolve.*

Comments: We chose to live here in an affordable community  
for SR. Citizen's. I do not want to be merged  
with full residential areas of adults + children,  
multi pools + grass!!! I want to pay for what  
I use in my home – not multi generational homes.  
or the wastewater

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote-to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

*Sue + Frank Wimmer*

**Subject:** Docket No. W-01303A-09-0343; SW-0303A-0-0343, Wastewater Rate Design Examination

From: George T. McClain

**Subject: Docket No. W-01303A-09-0343; SW-0303A-0-0343, Wastewater Rate Design Examination**

( X ) I am opposed to full consolidation of all EPCOR wastewater districts.

( ) I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: While EPCOR Water is requesting a rate increase for Sun City water (in addition to the wastewater increase) of approximately \$3.82 per month, they are also asking for another \$3.80 per month or so for SIB, commonly referred to as infrastructure. As a resident of Sun City with 10 wells for our recreation centers, I completely understand the need for replacement of infrastructure; however, the problem with SIB is three fold:

1. SIB rewards utility companies for not doing proper maintenance or making necessary improvements;
2. SIB is too broad as it applies to 55% of EPCOR Water's total investment; and,
3. It does not meaningfully consider reductions in operating costs as a result of the new infrastructure and other safeguards meant to protect the Sun City customers. Moreover, our consumer advocate, RUCO has sued the Commission claiming the SIB is

unconstitutional. Although some scare tactics have been used in the past that without all these additional fees the infrastructure that makes up our systems could fail or be inadequate; the fact is that EPCOR Water is required by law to provide safe and sufficient water to Sun City residents.

Basically, adjuster mechanisms allow rates to go up between rate cases as utility companies want to be protected for declining usage and other unfavorable factors. While that may be appropriate to assure that EPCOR has the ability to provide safe and sufficient water and wastewater services to Sun City, the issue is that the rate does not go down with favorable usage, which is totally unfair to fixed income Sun City residents.

Finally, this tactic of EPCOR's was attempted by Arizona American Water Company in the recent past and the ACC said "No". Arizona American Water Company sold out to EPCOR shortly thereafter. So we have come full circle.

The ACC is our elected representatives to thwart these transparent attempts at hidden rate increases. I ask the ACC to stop this travesty and vote "No"!

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination**

As a permanent resident of Sun City, I am requesting that you do not allow full consolidation of the EPCOR wastewater districts. Based on the information supplied by EPCOR, I along with every other Sun City wastewater user would experience an almost **90% rate increase** if full-district consolidation is approved by the Commission. Like many other residents of this community, I am living on a fixed income and can ill afford such a cost increase to one of life's necessities.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would instead be required to pay \$22.5M over the noted five-year period. This equates to **subsidizing other district costs in the amount of \$13.2 million**. Why should Sun City residents be forced to pay for the improvements made in other districts? We are certainly not responsible for creating their needs!

Your vote to **deny** full consolidation of the EPCOR wastewater districts will be appreciated.

Respectfully yours,

William S. Horn

Please find below excerpts from information provided to the residents of Sun City regarding this docket item. The statements made therein express the concerns that we have as permanent residents of Sun City and respectfully request that full consideration be given to them by each of you in meeting your responsibilities as Commissioners.

**... it will cost Sun City residents an 89% increase in their wastewater, plus the increase costs for RCSC operations as well. While claims may be made that consolidation of our water districts are similar to APS consolidation, this is not true; our water and waste water systems are separate from one another and in most cases cannot even be linked to provide backup support. In addition, consolidation would give EPCOR a blank check to buy up junk water companies and get their entire customer base to pay for it. EPCOR reportedly plans to spend \$9.3 million in improvements to Sun City's wastewater operations in the next 5 years; however, if we are consolidated, Sun City residents will pay \$31.8 million for those improvements over the next 5 years.**

**... they are also asking for another \$3.80 per month or so for SIB, commonly referred to as infrastructure. I completely understand the need for replacement of infrastructure; however, the problem with SIB is three fold:**

- 1. SIB rewards utility companies for not doing proper maintenance or making necessary improvements;**
- 2. SIB is too broad as it applies to 55% of EPCOR Water's total investment; and,**
- 3. It does not meaningfully consider reductions in operating costs, synergies as a result of the new infrastructure and other safeguards meant to protect the Sun City customers. Moreover, our consumer advocate, RUCO has sued the Commission claiming the SIB is unconstitutional. Although some scare tactics have been used in the**

**past that without all these additional fees the infrastructure that makes up our systems could fail or be inadequate; the fact is that EPCOR Water is required by law to provide safe and sufficient water to Sun City residents. Sun City residents should disregard the scare tactics and insist that the Commission act in a just and balanced manner!**

**... adjuster mechanisms allow rates to go up between rate cases as utility companies want to be protected for declining usage and other unfavorable factors. While that may be appropriate to assure that EPCOR has the ability to provide safe and sufficient water and wastewater services to Sun City, the issue is that the rate does not go down if there is an increase in usage, which is totally not fair. In addition, some of the adjuster mechanisms are not appropriate such as tank maintenance expenses or employee health care costs, operating costs controllable by the corporation.**

Phoenix, AZ 85007

**RE: Docket No. W-01303A09-0343; SW013003A-0-0343,  
Waste Water Rate Design Examinations**

Dear Mr. Stump,

I am completely opposed to the full consolidation of all EPCOR wastewater districts.

When The Del Webb Corporation developed Sun City they paid for the entire infrastructure costs. No expenses were paid by the Water Company at that time. Therefore, it seems inappropriate that Sun City is asked to participate on an equal basis with the other districts involved.

I understand the current Waste Water Rate Design Examinations are based on 2008 figures. That seems inappropriate since EPCOR did not have ownership at that time. Rate Design calculations should be based on data since their ownership.

Respectfully Submitted,

Lyle D Roth

October 2, 2014

Subject: Docket Nos-01303A-9-0343 and SW-01303A-09-0343

Dear Sir:

We are members of the Solo Spouse Group of Sun City and Sun City West. We have lost our spouses, and in most cases live alone. Most of us live here for most of the year except for occasional visits to our families. We have spent our lives giving to others, our communities and to our country. We adhere to the principle that any action that is taken that affects people's lives must be based on the principle of "What is Right and Just".

It seems unfair for senior households with minimal wastewater to bear the increased rates to pay for family households in Mohave, Agua Fria and Anthem who have higher levels of wastewater.

Many full time residents in the Sun City and Sun City West communities are on limited incomes because some never envisioned living into their 80s or 90s. Debt has reached an all time high for seniors as they are faced with meeting their needs with less income due to loss of investments from the recession. Most do not have the option of finding a part time job to supplement their income to met new financial demands.

Please do not place more financial burden on those who can ill afford it, and will be forced to do without necessities in order to pay the increases proposed for the unification of the water districts.

Sincerely,

Most of us live here for most of the year except for occasional visits to our families. We have spent our lives giving to others, our communities and to our country. We adhere to the principle that any action that is taken that affects people's lives must be based on the principle of "What is Right and Just".

It seems unfair for senior households with minimal wastewater to bear the increased rates to pay for family households in Mohave, Agua Fria and Anthem who have higher levels of wastewater.

Many full time residents in the Sun City and Sun City West communities are on limited incomes because some never envisioned living into their 80s or 90s. Debt has reached an all time high for seniors as they are faced with meeting their needs with less income due to loss of investments from the recession. Most do not have the option of finding a part time job to supplement their income to met new financial demands.

Please do not place more financial burden on those who can ill afford it, and will be forced to do without necessities in order to pay the increases proposed for the unification of the water districts.

Sincerely,

**Sun City Condominium Association (SCCOA) opposed consolidation in EPCOR's Wastewater Rate Case – Docket No. W-01303A-09-0343 & SW-01303A-09-0343.**

The Sun City Condominium Association Board of Directors, representing 386 condo associations with more than 16,000 unit owners, strongly opposes the full consolidation of all EPCOR water districts! EPCOR figures state that each Sun City waste water user would experience an 89% rate increase if full district consolidation was approved by the Arizona Corporation Commission. The present cost of wastewater per user in Sun City is \$18.11. With full consolidation the cost *PER UNIT* will increase to over \$34.00 per unit owner!

EPCOR noted in their Arizona Corporation Commission response that they have projected additional capital improvement costs for the Sun City District of \$9.3 million over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5 million over the noted five year period. This equates to subsidizing other district costs in the amount of \$13.2 million. We *cannot and should not* be required to subsidize other districts for poor planning and choices.

From a Sun City perspective, we agree with previous Arizona Corporation Commission determinations that it would not be in the public's best interest to implement a full EPCOR system consolidation.

Over time the cost causers were expanded due to the dramatic expansion of the NW valley. Sun City was built out in the mid-eighties while other independent communities and municipalities continued their development growth.

A number of communities were developed without a viable long-term plan resulting in overburdening future owners with exorbitantly high rate structures.

To now demand that the Sun City Retirement Community bail out these other areas for poor choices is unreasonable. If it wasn't in the public's best interest to fully consolidate two years ago, it certainly isn't prudent today.

We urge the Arizona Corporation Commission to remove such a move from their consideration.

*Please, we need your help!*

*If this goes through, our COA is going to have to raise our monthly fees to \$250.00 per month - an increase of \$66.00 per month.*

*I live on \$836.00 per month and will not be able to make it - it will have to come out of my Food Budget - which will mean less food!*

*Please consider this. Most of my neighbors are in the same situation. Thank you.*

*Respectfully,*

*Lubna L. Dumont*

Arizona Corporation Commissioners  
1200 W. Washington Street  
2<sup>nd</sup> Floor  
Phoenix, Arizona 85007

Dear Commissioners:

**DOCKET NUMBERS SW-01303A-09-0343 AND  
WS-01303A-14-0010**

The above-referenced dockets, if granted by the Corporation Commission, would be **totally unfair and unjust in addition to creating a financial hardship on the citizens of Sun City and Sun City West.**

It would be like giving Epcor a blank check without any requirement for them to do some cost cutting. I say upper managements' salaries should be looked at and if Epcor really needs help financially, the top level executives should be willing to perhaps take a cut in salary and definitely have a freeze on executive level salary increases. Most organizations do work on cutting expenses when there is a financial need.

The various areas should NOT be combined—that is unfair. The retirees (**living on fixed incomes**) would have an exorbitant increase of 90% to help defray the water expense **of the working communities** involved.

When the homes in the retirement communities were built, the infrastructure expense was included in the homes' price. The newer areas did not do this—why should the retirement communities (living on fixed incomes) have to foot this bill?

Epcor is looking to expand and wants to consolidate and put the expenses on its existing customer base by consolidating. **This is very unfair.** The retirement communities of Sun City and Sun City West do NOT merit this and you should vote AGAINST CONSOLIDATION and ALSO AGAINST APPROVING ALL THE REQUESTED RAISES **ESPECIALLY AGAINST THE SIB AS STATED** (THE WORDING IS LIKE GIVING EPCOR A BLANK CHECK).

Thank you for your help in stopping this unjust action against Sun City and Sun City West.

Sincerely,

September 29, 2014

Re: Docket No. W-01303A-09; SW-01303A-09-0343, Wastewater Rate Design Examination

Dear Commissioners:

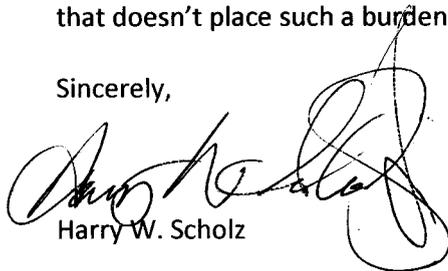

This letter is to inform you that I am opposed to the full consolidation of all EPCOR wastewater districts.

I am a resident of Sun City. If this consolidation is forced on Sun City EPCOR customers, it will result in a rate increase of an average of 89% based on an average use of 7,000 gallons per month.

I acknowledge that this is an unfortunate circumstance for EPCOR however, any rate increase for the residents of Sun City is unacceptable let alone one of this magnitude. As you know, most residents are on fixed incomes and will be forced to absorb this rate increase either directly or through increased HOA fees.

I urge you to reject this proposal and direct your Staff to work with EPCOR to come up with a solution that doesn't place such a burden the residents of Sun City.

Sincerely,

Harry W. Scholz

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

\*\*\*\*\*

- I am opposed to full consolidation of all EPCOR wastewater districts.  
 I am not opposed to full consolidation of all EPCOR wastewater districts.

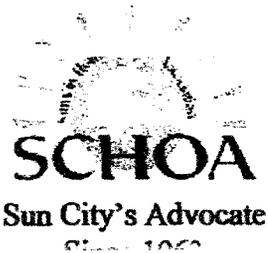

Comments: Why should I have to pay for wastewater upgrades that I will not use? EPCOR should have known that the systems they purchased would need upgrades. Most of the people in the Sun Cities are barely making it now.

**Wastewater Rate Design Examination**

**We support FULL consolidation of all EPCOR Wastewater Districts**

We are residents of Corte Bella, a community served by EPCOR Water Company. Corte Bella is currently consolidated into the Agua Fria Water/Wastewater District. The Agua Fria District is experiencing water/wastewater rates among the highest in the nation. It is our understanding that EPCOR Water Company has proposed full consolidation before the Arizona Corporation Commission as a means to remedy these exorbitant, discriminatory rates.

Since full consolidation, as proposed by EPCOR, would restore fair, just and reasonable rates to all, we would like to go on the record as totally supporting FULL consolidation of all of EPCOR's wastewater districts.

Re: DOCKET NO. W01303A-09-0343: SW-0303A-0-0343  
Wastewater Rate Design Examination

Dear Commissioners:

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five (5) years. If the full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

From: \_\_\_\_\_, a Sun City Resident

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

TED L WHITE  
10903 W TROPICANA CIR  
SUN CITY AZ 85351-2132

# *Sun City Home Owners Association*

**DOCKET NO. W-01303A-09-0343;  
SW-0303A-0-0343**

## **Wastewater Rate Design Examination; Consolidation/ De-Consolidation**

Upon review of EPCOR's analysis and answer to the ACC request pertaining to wastewater ratings, SCHOA disagrees with EPCOR's recommendation to consolidate all of their wastewater districts.

The EPCOR Exhibit of wastewater residential bill comparison shows eight (8) cities, (Sun City, Agua Fria, Anthem not included), with projected increases from 5% to 243%; one city has no increase and two cities with reductions of 44% & 55% given full-district consolidation. Not included are Sun City -89%, Anthem +2% and Agua Fria -54%.

§ Phoenix	-28%	Scottsdale	+80%
§ Peoria	+51%	Glendale	00
§ Tolleson	-243%	Sun City	+89% (not listed)
§ Agua Fria	-54% (not listed)	Anthem	+ 2% (not listed)
§ Goodyear	-44% (within city)	Goodyear	-55% (outside city)
§ Buckeye	+5%	Surprise	+38%

Based on the figures supplied by EPCOR above, each Sun City wastewater user would experience an 89% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response that they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

SCHOA will be forwarding a sample letter to SCHOA members as convenience if you wish to respond to the commissioners.

Bob Stump, Chairman  
Arizona Corporation Commission  
1200 W. Washington Street  
Phoenix, AZ 85007

Subject: Docket Nos-01303A-9-0343 and SW-01303A-09-0343

Dear Sir:

Sun City and Sun City West homes are inhabited by people 55 and older per restrictions. Homes are occupied by 1 to 2 people, and approximately 40 to 50 percent of the homes are vacant as snow bird move north for the summer months.

The Mohave, Agua Fria and Anthem areas are predominantly family communities, and the homes are occupied 12 months of the year.

It seems unfair for low usage households with minimal wastewater to bear the equal burden to pay for family households who have a higher level of wastewater.

Many full time residents in the Sun City and Sun City West communities are on limited incomes because some never envisioned living into their late 80s or 90s. Debt has reached an all time high as seniors are faced with meeting their needs with less income due to loss of investments from the recession. Most do not have the option of finding a part time job to supplement their income.

Please do not place more financial burden on those who can ill afford it, and will be forced to do without necessities in order to pay the increases proposed for the unification of the water districts.

Sincerely,

Jacqueline L. Mindling

Re: EPCOR

Commissioner,

I would like you to consider the economic strain the consolidation of the wastewater systems would place on the fixed income seniors of Sun City. Some of our residents have been retired for a number of years and have a basic income from Social Security that they invested in during their working years. Some of our seniors cannot afford both food and medicine and must make a choice, not all here are like that but it happens more often than you may think,

I live in a condominium community that has several residents that live on a very fixed income and in recent years we have seen several foreclosures and it is real sad. A rate increase of \$16.19 per month is unfair and will strap them financially. We did not cause the problem the other districts have if they have a problem with the amount they pay for sewer or water they should address it with builder who did not secure his right to enough water for the community he built.

One last time please do not allow Epcor to make the senior citizens of Sun City pay for the errors of others. This is so unfair it is Ungodly.

Patrick Quinn

**Wastewater Rate Design Examination**

**We support FULL consolidation of all EPCOR Wastewater Districts**

We are residents of Corte Bella, a community served by EPCOR Water Company. Corte Bella is currently consolidated into the Agua Fria Water/Wastewater District. The Agua Fria District is experiencing water/wastewater rates among the highest in the nation. It is our understanding that EPCOR Water Company has proposed full consolidation before the Arizona Corporation Commission as a means to remedy these exorbitant, discriminatory rates.

Since full consolidation, as proposed by EPCOR, would restore fair, just and reasonable rates to all, we would like to go on the record as totally supporting FULL consolidation of all of EPCOR's wastewater districts.

*Bob Stump,*

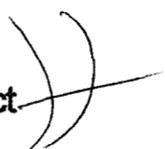

Sun City Condominium Association (**SCCOA**) opposes consolidation in EPCOR's Wastewater Rate Case – Docket No. W-01303A-09-0343 & SW-01303A-09-0343.

In July, 2014, the Arizona Corporation Commission ordered EPCOR to provide information relating to the rate impacts of consolidation or deconsolidation of the company's wastewater districts.

On August 8, 2014, the company made that filing. A decision in this matter will impact the rates of every wastewater customer of the company, either as an increase or decrease.

With many of Sun City's COA's having their EPCOR bills paid through management companies, the actual customer may not have been notified or is unaware of the consequences of consolidation.

**Reviewing EPCOR's report, SCCOA urges the Commission NOT to allow full consolidation of all the EPCOR wastewater districts.**

From a Sun City Condominium Association viewpoint, we feel it would not be in the public's best interest to implement a full district consolidation. 

Currently, the company's rates are unique for each of its Arizona wastewater districts and the existing rates reflect the different costs to serve each geographic area. Alternatively, rate consolidation is the process of combining two or more districts for the purpose of averaging the different rates into a single rate for comparable customers.

Based on full consolidation, the Sun City District will incur an **89% INCREASE!**

This is unacceptable!

*Jude Korhonen*

*very excessive amount for Sun City residents*

Subject: Docket # W-01303A-09-0343; SW-01303A-0-0343  
Waste Water Rate Design Examination

Commissioners:

I am a resident of Sun City and a registered voter in Arizona. As a home owner, I am opposed to full consolidation of all EPCOR water/waste districts. I have attended several meetings in Sun City regarding this subject. I learned through RUCO that the information regarding the possible increase in rates was based on information on a rate schedule from 2008. A proposal rate based on these old statistics cannot be accurately determined. More current figures are needed.

Secondly, the cost of providing wastewater services were provided & included in the price of the Sun City homes at the time they were built. Residents here should not have to pay for the newer subdivisions being built in the recent years. Consolidation would put undue hardships on us.

Thirdly, most of the Sun City residents are on fixed incomes and are trying to make ends meet. Some of us have to get assistance from Food Banks. My income is stretched as far as it can go. EPCOR is also thinking of raising the water payments as well. Sun City should not be combined with other districts like Aqua Fria, Anthem & Mohave Counties. This would cause residents in Sun City an 89% increase.

Please make my letter a part of the packet as you act wisely regarding the above concerns.

2<sup>nd</sup> Floor  
Phoenix, Arizona 85007

Dear Commissioners:

**DOCKET NUMBERS SW-01303A-09-0343 AND  
WS-01303A-14-0010**

The above-referenced dockets, if granted by the Corporation Commission, would be **totally unfair and unjust in addition to creating a financial hardship on the citizens of Sun City and Sun City West.**

It would be like giving Epcor a blank check without any requirement for them to do some cost cutting. I say upper managements' salaries should be looked at and if Epcor really needs help financially, the top level executives should be willing to perhaps take a cut in salary and definitely have a freeze on executive level salary increases. Most organizations do work on cutting expenses when there is a financial need.

The various areas should NOT be combined—that is unfair. The retirees (**living on fixed incomes**) would have an exorbitant increase of 90% to help defray the water expense **of the working communities** involved.

When the homes in the retirement communities were built, the infrastructure expense was included in the homes' price. The newer areas did not do this—why should the retirement communities (living on fixed incomes) have to foot this bill?

Epcor is looking to expand and wants to consolidate and put the expenses on its existing customer base by consolidating. **This is very unfair.** The retirement communities of Sun City and Sun City West do NOT merit this and you should vote **AGAINST CONSOLIDATION** and **ALSO AGAINST APPROVING ALL THE REQUESTED RAISES ESPECIALLY AGAINST THE SIB AS STATED** (THE WORDING IS LIKE GIVING EPCOR A BLANK CHECK).

Thank you for your help in stopping this unjust action against Sun City and Sun City West.

Sincerely,

*Janet Wood*

Phoenix, Arizona 85007

Dear Commissioners:

**DOCKET NUMBERS SW-01303A-09-0343 AND  
WS-01303A-14-0010**

The above-referenced dockets, if granted by the Corporation Commission, would be **totally unfair and unjust in addition to creating a financial hardship on the citizens of Sun City and Sun City West.**

It would be like giving Epcor a blank check without any requirement for them to do some cost cutting. I say upper managements' salaries should be looked at and if Epcor really needs help financially, the top level executives should be willing to perhaps take a cut in salary and definitely have a freeze on executive level salary increases. Most organizations do work on cutting expenses when there is a financial need.

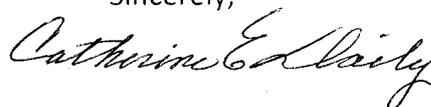

The various areas should NOT be combined—that is unfair. The retirees (**living on fixed incomes**) would have an exorbitant increase of 90% to help defray the water expense **of the working communities** involved.

When the homes in the retirement communities were built, the infrastructure expense was included in the homes' price. The newer areas did not do this—why should the retirement communities (living on fixed incomes) have to foot this bill?

Epcor is looking to expand and wants to consolidate and put the expenses on its existing customer base by consolidating. **This is very unfair.** The retirement communities of Sun City and Sun City West do NOT merit this and you should vote AGAINST CONSOLIDATION and ALSO AGAINST APPROVING ALL THE REQUESTED RAISES **ESPECIALLY AGAINST THE SIB AS STATED** (THE WORDING IS LIKE GIVING EPCOR A BLANK CHECK).

Thank you for your help in stopping this unjust action against Sun City and Sun City West.

Sincerely,

August 25, 2014

Wastewater Rate Design Examination

Larry Putnam and Linda Putnam support full consolidation of all EPCOR Wastewater Districts

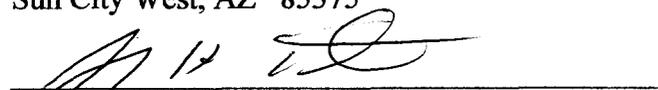

We are residents of Corte Bella, a community served by EPCOR Water Company. Corte Bella is currently consolidated into the Agua Fria Water/Wastewater District. The Agua Fria District is experiencing water/wastewater rates among the highest in the nation. It is our understanding that EPCOR Water Company has proposed full consolidation before the Arizona Corporation Commission as a means to remedy these exorbitant, discriminatory rates.

**For your consideration, please note that our last 3 water bills for two retired residents of Corte Bella have been \$196.24, \$180.08 and \$215.80. This is totally unacceptable.**

Since full consolidation, as proposed by EPCOR, would restore fair, just, and reasonable rates to all, we would like to go on the record as totally supporting FULL consolidation of all of EPCOR's wastewater districts.

Comments: Sun City should "stand on its own". The very senior community developed and paid for the infrastructure when we were FAR from other development. We were not lumped in with communities 10-40-50 miles away as SC West & Anthem is ANXIOUS to do! This community has a population existing on Soc Soc with no hope to make more money. Most homes here

Signature: Shirley Jean Lawrence

Printed Signature: Shirley Jean Lawrence

have 1-2 people in each one who are low users of water. Larger family homes w/ children are heavy users of water w/ little-to-no desert landscaping - By choice!

each district let (to others) pay for their choices and not expect us to subsidize their choices, both to live in neighborhoods that have new expensive 8/25/14 infrastructures and large(r) families and multiple bathes, irrigation systems & larger laundry appliances. I say, NO!

RE: Docket numbers SW-01303A-09-0343 EPCOR wastewater consolidation case and  
EPCOR WS-01303A-14-0010 water rate case

Dear Mr. Stump,

We are strongly opposed to consolidation of the EPCOR wastewater districts and the proposed water rate increases.

Consolidation would give EPCOR a blank check to buy up other water companies and pass the cost onto their customer base. EPCOR reportedly plans to spend \$9.3 million in improvements to Sun City's wastewater operations in the next 5 years; however, if we are consolidated, Sun City residents will pay \$31.8 million for those improvements over the next 5 years.

We understand EPCOR Water is seeking not only rate increases in water and wastewater as is easily visible and reported, but they are also seeking significant Adjuster Mechanisms and a System Improvement Benefits ("SIB") mechanism that will more than double the rate increases proposed over the next 5 years in the water case.

Furthermore -

1. SIB rewards utility companies for not doing proper maintenance or making necessary improvements;
2. SIB is too broad as it applies to 55% of EPCOR Water's total investment; and,
3. It does not meaningfully consider reductions in operating costs, synergies as a result of the new infrastructure and other safeguards meant to protect customers. Our consumer advocate, RUCO, has sued the Commission claiming the SIB is unconstitutional. Although some scare tactics have been used in the past, the fact is that EPCOR Water is required by law to provide safe and sufficient water to residents.

In short, we cannot and should not be required to subsidize other districts for poor planning and poor decisions.

Thank you for your consideration and a vote to deny consolidation of the EPCOR districts and their requested water rate increase.

Sincerely,

Dan R. Allen and Sharla Mills

Phoenix, Arizona 85007

Dear Commissioners:

**DOCKET NUMBERS SW-01303A-09-0343 AND  
WS-01303A-14-0010**

The above-referenced dockets, if granted by the Corporation Commission, would be **totally unfair and unjust in addition to creating a financial hardship on the citizens of Sun City and Sun City West.**

It would be like giving Epcor a blank check without any requirement for them to do some cost cutting. I say upper managements' salaries should be looked at and if Epcor really needs help financially, the top level executives should be willing to perhaps take a cut in salary and definitely have a freeze on executive level salary increases. Most organizations do work on cutting expenses when there is a financial need.

The various areas should NOT be combined—that is unfair. The retirees (**living on fixed incomes**) would have an exorbitant increase of 90% to help defray the water expense **of the working communities** involved.

When the homes in the retirement communities were built, the infrastructure expense was included in the homes' price. The newer areas did not do this—why should the retirement communities (living on fixed incomes) have to foot this bill?

Epcor is looking to expand and wants to consolidate and put the expenses on its existing customer base by consolidating. **This is very unfair.** The retirement communities of Sun City and Sun City West do NOT merit this and you should vote **AGAINST CONSOLIDATION** and **ALSO AGAINST APPROVING ALL THE REQUESTED RAISES ESPECIALLY AGAINST THE SIB AS STATED** (THE WORDING IS LIKE GIVING EPCOR A BLANK CHECK).

Thank you for your help in stopping this unjust action against Sun City and Sun City West.

Sincerely,

*Anthony W Damato*

WS-01303A-14-0010**

The above-referenced dockets, if granted by the Corporation Commission, would be **totally unfair and in addition to creating a financial hardship on the citizens of Sun City and Sun City West.**

It would be like giving Epcor a blank check without any requirement for them to do some cost cutting. upper managements' salaries should be looked at and if Epcor really needs help financially, the top le executives should be willing to perhaps take a cut in salary and definitely have a freeze on executive le salary increases. Most organizations do work on cutting expenses when there is a financial need.

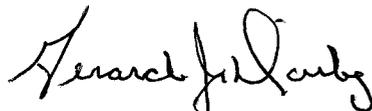

The various areas should NOT be combined—that is unfair. The retirees (**living on fixed incomes**) would an exorbitant increase of 90% to help defray the water expense **of the working communities** involved

When the homes in the retirement communities were built, the infrastructure expense was included in homes' price. The newer areas did not do this—why should the retirement communities (living on fixed incomes) have to foot this bill?

Epcor is looking to expand and wants to consolidate and put the expenses on its existing customer base: consolidating. **This is very unfair.** The retirement communities of Sun City and Sun City West do NOT this and you should vote AGAINST CONSOLIDATION and ALSO AGAINST APPROVING ALL THE REQUEST RAISES **ESPECIALLY AGAINST THE SIB AS STATED** (THE WORDING IS LIKE GIVING EPCOR A BLANK CHECK)

Thank you for your help in stopping this unjust action against Sun City and Sun City West.

Sincerely,

September 29, 2014

Arizona Corporation Commissioners  
c/o Mr. Bob Stump, Chair  
1200 W. Washington Street  
2<sup>nd</sup> Floor  
Phoenix, Arizona 85007

Dear Commissioners:

**DOCKET NUMBERS SW-01303A-09-0343 AND  
WS-01303A-14-0010**

The above-referenced dockets, if granted by the Corporation Commission, would be **totally unfair and unjust in addition to creating a financial hardship on the citizens of Sun City and Sun City West.**

It would be like giving Epcor a blank check without any requirement for them to do some cost cutting. I say upper managements' salaries should be looked at and if Epcor really needs help financially, the top level executives should be willing to perhaps take a cut in salary and definitely have a freeze on executive level salary increases. Most organizations do work on cutting expenses when there is a financial need.

The various areas should NOT be combined—that is unfair. The retirees (**living on fixed incomes**) would have an exorbitant increase of 90% to help defray the water expense **of the working communities** involved.

When the homes in the retirement communities were built, the infrastructure expense was included in the homes' price. The newer areas did not do this—why should the retirement communities (living on fixed incomes) have to foot this bill?

Epcor is looking to expand and wants to consolidate and put the expenses on its existing customer base by consolidating. **This is very unfair.** The retirement communities of Sun City and Sun City West do NOT merit this and you should vote **AGAINST CONSOLIDATION** and **ALSO AGAINST APPROVING ALL THE REQUESTED RAISES ESPECIALLY AGAINST THE SIB AS STATED** (THE WORDING IS LIKE GIVING EPCOR A BLANK CHECK).

Thank you for your help in stopping this unjust action against Sun City and Sun City West.

Sincerely,

Ms Janet Wood  
9702 W Rolling Hills Dr  
Sun City AZ 85351-2461

To: Bob Burns, Susan Bitter-Smith, Gary Pierce, Bob Stump, and Brenda Burns;

Subject: Docket number: 09-0343

I am writing this letter to express my opinions regarding the proposed EPCOR waste water consolidation proposal or docket number 09-0343. I am in favor of the proposal. It is something that should have happened years ago. This issue expands expedientially and becomes more difficult if delayed. Also, it is only fair for everyone.

I am a resident of Corte Bella. My mailing address is in Sun City West. Over the past few years we have seen our water bills triple for waste water (see attached)! In looking at a recent article in the west valley news a spokes person from Sun City mentioned that if this passes people will have to choose between food and paying for water. Our situation is no different. Our residents are also retired and on fixed incomes and yet he believes it is OK for us to pay rates four or five times higher than his.

I agree with EPOR spokes women Rebecca Stanholm, that all customers need to pay a flat rate that is equal for equal services. The consumer does not have an option on who provides their service, there is no selecting your service provider, nor have input when the company decides to build new/better infra-structure. Hopefully, these changes are done for the betterment of all the customers.

I believe in conserving water especially in Arizona as the drought situation becomes more and more serious. I believe if every person in the area had the same flat rate and had to learn to conserve we could make a difference. It is frustrating for me to drive outside our community only to see water running down the streets because my neighbors in Sun City/Sun City West have such low rates that this is not an issue.

We all moved to the desert for the beautiful weather but also knew that water was an issue. Water is now being rationed in California and Arizona will certainly not be far behind. We must all work hard to conserve this life-giving resource. That said, we must also all value it.

The consolidation will never be popular as we all would like to keep our energy costs low but this is not reality. Costs on all goods and services go up.

Do the right thing for the future of Arizona and it's residents. Consolidate!

(✓)

I am opposed to full consolidation of all EPCOR wastewater districts.

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor ~~planning and choices.~~

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

*Bernice McNeice* \*\*\*\*\*

ACC - Consumer Services, 1200 W. Washington St. - Phoenix, AZ 85007

From: Sun City Resident

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Subject: Docket No. 09-0343  
Wastewater Rate Design Examination

Rodney Sundheim and Sheri Sundheim support full consolidation of all EPCOR  
Wastewater Districts

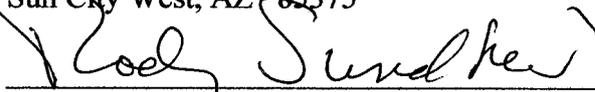

We are residents of Corte Bella, a community served by EPCOR Water Company. Corte Bella is currently consolidated into the Agua Fria Water/Wastewater District. The Agua Fria District is experiencing water/wastewater rates among the highest in the nation. It is our understanding that EPCOR Water Company has proposed full consolidation before the Arizona Corporation Commission as a means to remedy these exorbitant, discriminatory rates.

**For your consideration, please note that our last 3 water bills for two retired residents of Corte Bella have been \$159.50, \$161.31, and \$144.97. This is totally unacceptable.**

Since full consolidation, as proposed by EPCOR, would restore fair, just, and reasonable rates to all, we would like to go on the record as totally supporting FULL consolidation of all of EPCOR's wastewater districts.

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

\*\*\*\*\*

**Re: Docket No. W-01303A-09-0343; SW-01303A-09-0343, Wastewater Rate Design Examination**

Dear Commissioner,

I am opposed to full consolidation of all EPCOR wastewater districts.

I have lived in the valley for over seventy years and have owned several businesses in that time. As a business owner if you want to expand your business you do your due diligence to see if you can afford the expansion. You do not ask your customers to assist you in your new purchase or bill them for the cost of the new equipment that may be required.

EPCOR has contracted to furnish water and sewer to new developments or existing ones and it is their responsibility to fulfill the commitments they have made.

Your commission was established to protect the consumer not to aid those who did not do their due diligence. You have come to our aid before, please do again.

Sincerely,

A handwritten signature in cursive script that reads "Charles W. Toon". The signature is written in black ink and is positioned above the typed name and address.

Re: **Docket No. W-01303A-09-0343; SW-01303A-09-0343, Wastewater Rate Design Examination**

Dear Commissioner,

I am opposed to any consolidation of any of EPCOR'S wastewaters districts with Sun City.

When we purchased our retirement home in Sun City we investigated the cost of living here to see if we could afford retirement. All the streets, sewer and water systems were in and paid for when Del Webb built a community. It seems totally unfair to be expected for us to assume the cost of EPCOR's expansion.

Please protect those of us who have already paid for our communities infrastructure and deny this consolidation.

Sincerely,

Cherie L. Toon

Docket Number: SW-01303A-09-343 wastewater case  
Docket Number: WS-01303A-14-0010 water case

I am writing in strong opposition to the increases that will result from the changes proposed by EPCOR.

The Recreation Centers of Sun City oppose these increases, as well as those of us who live in the Sablanca Condominium Association in Sun City.

**We are advised that our monthly expenses will go up by 89%. This will bring hardship to many of our residents.**

When Jesse Ramirez, Director of the West Valley Community Food Bank, spoke to the GFWC Peoria-West Valley Woman's Club last December, he told us that many residents of Sun City have only their small social security payment to live on and come to the Food Bank for help.

**Information like this MUST be taken into account in arriving at your decision.**

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

*Edith V Power*

Comments: Why would we be so stupid to vote to  
increase what we pay for a product? These  
people knew they were in a high water rate  
when they moved there & they still chose to  
do so. It's like us moving to SUN CITY & then  
complaining that Luke flies LOUIS AIRPLANES over our  
house.

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

LESTER L. CLARK  
17891 N 99th Dr  
Sun City, AZ 85393

September 18, 2014

Mr. Bob Stump

Arizona Corporate Commission

Subject: Docket No. W- 01303A-09-0343; SW-01303A-0-0343

Wastewater Rate Design Examination

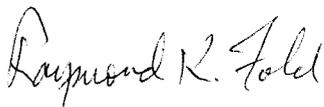

Dear Mr. Stump,

My wife and I are registered voters and full time residents of Sun City Arizona.

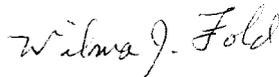

We are both opposed to the full consolidation of all EPCOR wastewater districts.

We want EPCOR to maintain OUR water and wastewater systems and are willing to pay for that service and provide EPCOR with a fair and reasonable profit. We have no desire to be combined with other segments of EPCOR's water delivery business. Sun City is a 55 year senior citizen overlay community of modestly priced homes (recent resale's averaging approximately \$100,000) and for the most part fixed income families. Many residents consist of single widows or widowers. We cannot afford helping pay for the development of new and more expensive housing developments.

Please vote against this proposed consolidation.

and fancier amenities should pay their own rates, and we shouldn't be penalized for making a more economical choice.

P.S.

8/25/14

If a company owned 5 Mobile Home Parks that were developed over decades of time and in different locales they couldn't get away with making all the space rents the same could they?

Re: DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

*Betty J. Kindinger  
Sun City, Az. 85351*

Bob Stump  
Chair  
ACC Commissioners

Dear Bob,

I dearly hope you stand against EPCOR's attempt to lump us all together . Like so many of our citizens here in Sun City, I am on a fixed income and I can't hike it up when I have my bills hiked up.

Should I cut out meds or food to pay for ever rising expenses? I know I am not alone in this rocky boat of trying to get by.

I thank you for your time,

Clyde Jorgensen

Att: For all those on this Commission  
**RE: Docket Numbers SW-91303A-09; WS-01303A-14-0010**

This letter is written to inform you all that I have paid for and continue to pay for the maintenance of our infrastructure, and find it unfair that we are asked to pick up the tab for infrastructures outside our community. This should never be considered a viable option.

I moved to Sun City eighteen years (18) years ago because the area where I had resided for a number of years had caused my monthly expenses to be more than my house payment.

I request that you rethink this situation.

Sincerely,

Mary Lou Prether

From: Charles Flower, Sun City Resident

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Charles Flower  
10113 W. Highwood Lane

From: A Concerned Sun City Resident

RE: DOCKET NO. W-01303A-090343; SW-0303A-0-0343  
Wastewater Rate Design Examination

As a permanent resident of Sun City, I am requesting that you do not allow full consolidation of the EPCOR wastewater Districts. Based on the information supplied by EPCOR, I along with every other Sun City wastewater user would experience an almost 90% rate increase if full-district consolidation is approved by the Commission. Like many other residents of this community, I am living on a fixed income and can ill afford such a cost increase to one of life's necessities.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would instead be required to pay \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2 million. Why should Sun City residents be forced to pay for the improvements made in other districts/ We are certainly not responsible for creating their needs!

Your Vote to deny full consolidation of the EPCOR wastewater districts will be appreciated.

Respectfully yours,

Frank J. Sedich

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

Marilyn Brown

From: A Concerned Sun City Resident

Re: DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination

As a permanent resident of Sun City, I am requesting that you do not allow full consolidation of the EPCOR wastewater districts. Based on the information supplied by EPCOR, I along with every other Sun City wastewater user would experience an almost 90% rate increase if full-district consolidation is approved by the Commission. Like many other residents of this community, I am living on a fixed income and can ill afford such a cost increase to one of life's necessities.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would instead be required to pay \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2 million. Why should Sun City residents be forced to pay for the improvements made in other districts? We are certainly not responsible for creating their needs!

Your vote to deny full consolidation of the EPCOR wastewater districts will be appreciated.

Respectfully yours,

Re: DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
WASTEWATER RATE DESIGN EXAMINATION

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

*Earl Heibult*

**SW-0303A-0-0343**

It is most important that Sun City residents become involved with the current EPCOR wastewater concern in order to stop the proposed 89% increase. The Commissioners need to receive at least **10,000** Sun City emails and letters "against" full consolidation. Once you have sent your email or letter, please contact your friends and neighbors asking them to do the same. The commissioners' names and email address are:

- Bob Burns - <http://Burns-web@azcc.gov>
- Susan Bitter Smith - <http://BitterSmith-web@azcc.gov>
- Gary Pierce - <http://Pierce-web@azcc.gov>
- Bob Stump - <http://Stump-web@azcc.gov>
- Brenda Burns - <http://Burns-web@azcc.gov>

If you wish to mail a letter to the Arizona Corporation Commission as well, the address is:

Arizona Corporation Commission  
Commissioners Wing  
1200 W Washington Street, 2nd Floor  
Phoenix, Arizona 85007

The following is a letter you may wish to use:

To: **Bob Burns**  
**Susan Bitter Smith**  
**Gary Pierce**  
**Bob Stump**  
**Brenda Burns**

From: Sun City Resident

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

*Michael Blum / Suzanne Ernst*

**RE: DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343  
Wastewater Rate Design Examination**

As Sun City residents, we are requesting that you do not allow the consolidation of all EPCOR waste water districts.

When EPCOR acquired American Water there should have been systemic gains that would lower, not increase, rates. Even in light of capital improvements, rates should not reflect this horrendous rate shock! EPCOR may have made an error when they purchased American Water.

Sun City residents should not be required to pay for EPCOR'S administrative mistake. To cover EPCOR'S mistake by projecting our betterment over time is misleading. EPCOR would better use their expertise in management to keep rates reasonable. The economy of size doesn't always benefit the end user. It just may add to poor management and rate increase.

Please do not allow the consolidation of waste water districts!

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

George & Shirley Schwartz

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

10446 W Cheryl Dr

From: A Concerned Sun City Resident

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,  
Wastewater Rate Design Examination**

As a permanent resident of Sun City, I am requesting that you do not allow full consolidation of the EPCOR wastewater districts. Based on the information supplied by EPCOR, I along with every other Sun City wastewater user would experience an almost **90% rate increase** if full-district consolidation is approved by the Commission. Like many other residents of this community, I am living on a fixed income and can ill afford such a cost increase to one of life's necessities.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would instead be required to pay \$22.5M over the noted five-year period. This equates to **subsidizing other district costs in the amount of \$13.2 million**. Why should Sun City residents be forced to pay for the improvements made in other districts? We are certainly not responsible for creating their needs!

Your vote to **deny** full consolidation of the EPCOR wastewater districts will be appreciated.

Respectfully yours,

Dear Commissioners,

Re: DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343  
**Wastewater Rate Design Examination**

Whenever I hear there is the possibility that a utility may be increased by 90%, I get very nervous. Why? Because my wife and I are like approximately 80 to 85 percent of Sun Citians. We live on a fixed income. Oh, we may get a one or two percent increase in Social Security, but normally that increase is used up with a Medicare cost increase.

As a Sun City resident, I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. It would work a hardship on fixed income residents.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This would result in subsidizing other districts with \$13.2M. We should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration . We do hope you will deny full consolidation of the EPCOR wastewater districts.

Re: **DOCKET NO. W-01303A-09-0343; SW-0303A-0-0343,**  
**Wastewater Rate Design Examination**

As a Sun City, AZ resident I am requesting you do not allow full consolidation of all the EPCOR wastewater districts. Based on the figures supplied by EPCOR, each Sun City wastewater user would experience a 90% rate increase if full-district consolidation was to be approved by the Commission.

EPCOR noted in their ACC response they have projected additional capital improvement costs for the Sun City District of \$9.3M over the next five years. If a full consolidation were to take place, Sun City users would be required to pay an additional \$22.5M over the noted five-year period. This equates to subsidizing other district costs in the amount of \$13.2M. We cannot and should not be required to subsidize other districts for poor planning and choices.

Thank you for your consideration and a vote to deny full consolidation of the EPCOR wastewater districts.

Respectfully yours,

To: Bob Burns

# e with sustainability

MARK HENLE/THE REPUBLIC

light in Peoria. Peoria has swapped out streetlights in a neighborhood near become more sustainable.

electricity. The electricity is fed back into APS' grid and redistributed among the company's customers.

But sustainability also falls to residents because everyone has a carbon footprint, said Estrada, who also spearheads many of the city's sustainability programs. In addition to the city implementing energy-efficient practices, it also tries to educate residents on what they can do, she said.

Glendale, Peoria and Goodyear offer classes that teach residents how to save money at home by adopting similar practices to that of the cities. The classes cover a range of topics, including xeriscape and desert-landscaping techniques, composting, solar energy, gardening and reducing electricity use.

"These are all just practical tools and tips that homeowners, residents can really take back home and implement in their daily lives," Estrada said.

Although officials don't track the money that class participants have saved, Peoria

spokeswoman Jennifer Stein said residents who convert to xeriscape landscaping save an average of 17 percent on their water bills. Officials also have seen a reduction in residents' water usage, with residents now using an average of 125 to 150 gallons per day, down from an average of 250 gallons a day, she said.

Goodyear Water Conservation Specialist Sandra Rode said residents can reduce their water use by about 20 percent using the techniques they learn in the city's water-conservation classes.

Though actual dollar savings vary based on how much water a person uses, a "20 percent (reduction) of water usage is still going to be something you can see on your water bills," she said.

Glendale received about \$2.34 million and Peoria received about \$2.27 million in federal grants over the past five years that enabled them to pay for the upgrades in city infrastructure and expand their existing sustainability-education

## Sustainability classes

Glendale offers free classes for residents to learn about how to conserve water and be more energy efficient so they can save money. Here are some of the classes starting this fall:

### Understanding and Maintaining Your Landscape Watering System

**When:** 10 a.m. to noon Sept. 27.

**Where:** Glendale Main Library Auditorium, 5959 W. Brown St.

### The Basics of Seed Saving

**When:** 10 a.m.-11:30 a.m. Oct. 4.

**Where:** Glendale Main Library Auditorium, 5959 W. Brown St.

### Shade Tree Class and Tree Distribution

**When:** Oct. 11.

**Where:** TBD.

### Hosting Seed Library (seed swap)

**When:** Every second Saturday of the month.

**Where:** Glendale Main Library lobby, 5959 W. Brown St.

More information: <http://www.glendaleaz.com/waterconservation/classesandeducation.cfm>.

programs, which previously consisted of basic water-conservation and energy-efficiency classes. Depending on which classes are offered, attendance varies each semester in Glendale and Peoria, reaching up to about 500 total.

Glendale gives away free efficiency devices to class participants, including lightbulbs, programmable thermostats and high-efficiency shower heads.

"We have a great quality of life and we want to make it better. We don't want to make it worse," Estrada said. "We're back to growth and so how we handle that, how we handle our resources is going to make a big difference in the future."

## Community News

# WV cities save with

JACKEE COE

THE REPUBLIC • AZCENTRAL.COM

West Valley cities have saved thousands of dollars by reducing energy use and conserving water, and several cities are teaching residents how to do the same at home.

Over the past several years, Glendale, Peoria and Goodyear have installed energy-efficient lighting, heating and cooling units, and implemented water-conservation methods such as using reclaimed water and desert landscaping that have led to significant savings.

Glendale saves about \$329,000 annually in electrical and operational costs and about \$200,000 in water services, while Peoria saves about \$200,000 annually on electrical, operational and water costs, officials said. Goodyear, which began implementing its sustainability efforts more recently, has not calculated its cost reductions yet, but officials gave a "conservative estimate" of about \$10,000 in annual savings.

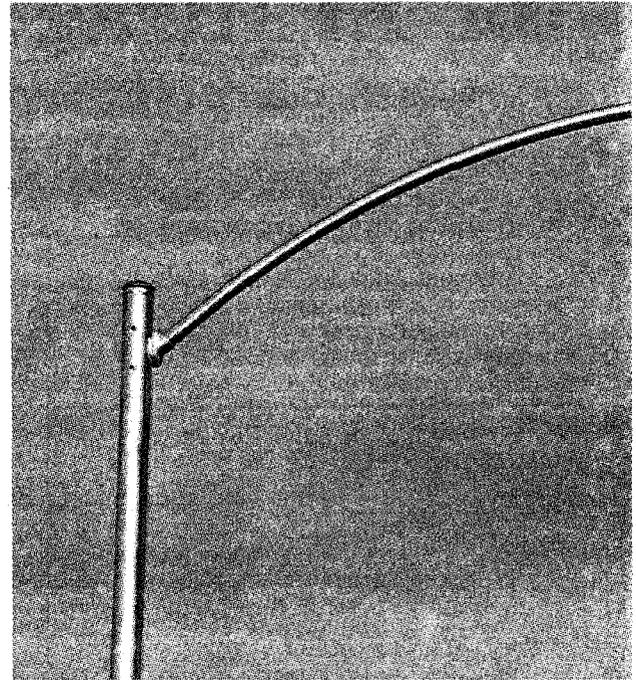

Peoria City Manager Carl Swenson said sustainability is a matter of both environmental and fiscal stewardship.

"We're always focusing on the wise use of the taxpayers' money," he said. "You constantly look at how you are spending the public's money to get the most value."

On its City Hall campus, Peoria replaced all the fluorescent lights with energy-efficient LED lights, swapped out air-conditioning and hot-water units, converted to xeriscape landscaping and installed programmable digital thermostats.

The city also uses reclaimed water at multiple parks and city buildings. Solar panels power its park-and-ride location and hybrid cars are replacing traditional vehicles as the city upgrades its fleet.

This summer, city workers installed LED lightbulbs in streetlights in a neighborhood near City Hall as part of a larger project to replace old streetlight bulbs with energy-efficient lightbulbs.

Javier Bueno levels a new LED streetlight in Peoria. Peoria has s City Hall as part of the city's effort to become more sustainable.

Peoria's renovated Municipal Court building and the Seattle Mariners' clubhouse at the Peoria Sports Complex are certified LEED gold by the U.S. Green Building Council, said Lisa Estrada, Peoria's intergovernmental-affairs coordinator. The San Diego Padres' clubhouse is certified LEED silver, and the Development and Community Services Building is Energy Star certified.

Glendale and Goodyear also converted to LED lightbulbs, installed more energy-efficient air-conditioning and hot-water units, and started using programmable thermostats in city buildings. Goodyear's Fire Station 181 was recognized by the Building Operators Manager's Association of Greater Phoenix for its low energy use, Municipal Services Manager Mark Flynn said.

Glendale opened a recycling facility in March where most of the city's garbage is delivered. The city also has a biogas plant at its landfill that uses methane gas created from garbage to power turbines that generate

electricity. The elect back into APS' grid tributed among the customers.

But sustainability to residents because has a carbon footpr trada, who also s many of the city's su programs. In addition implementing energ practices, it also tries residents on what th she said.

Glendale, Peoria year offer classes residents how to sav home by adopting si tices to that of the classes cover a rang including xeriscape landscaping technic posting, solar energ ing and reducing use.

"These are all jus tools and tips that ho residents can really home and impleme daily lives," Estrada

Although offici track the money tha ticipants have sav

SEPTEMBER 10, 2014

ARIZONA CORPORATIONS COMMISSION

RE: DOCKET NUMBER 09-0343

COMMISSIONERS:

BEFORE I PROCEED WITH MY COMMENTS, I THANK YOU FOR TAKING TIME OUT OF YOUR BUSY SCHEDULES TO READ MY CONCERNS. I APOLOGIZE FOR THE LENGTH OF THIS COMMUNICATION, HOWEVER, THE SUBJECT OF OUR WATER/SEWER RATES IS VERY IMPORTANT AND I WANT TO SHARE WITH YOU MY BACKGROUND AND CONCERNS.

MY WIFE KAREN AND I MOVED TO CORTE BELLA CC, FROM SUN CITY, NOVEMBER, 2013. KAREN AND I HAVE EACH LIVED APPROXIMATELY 32 YEARS IN ARIZONA. WE HAVE OWNED 9 HOMES IN TUCSON, GREATER PHOENIX, LAKE HAVASU AND BULLHEAD CITY, SUN CITY AND NOW SUN CITY WEST. WE ALSO LIVED IN SAN FRANCISCO FOR 2 YEARS AND SEPARATELY OWNED 2 HOMES THERE.

WE WERE EMPLOYED AND RETIRED FROM AT&T, WITH A COMBINED TOTAL OF 60 YEARS.

WE ARE VERY FAMILIAR WITH THE VARIETY OF DIFFERENT TAXES, ELECTRIC AND GAS RATES, TELEPHONE/INTERNET/CABLE RATES AND WATER/SEWER RATES.

WE CAN SAY WITHOUT HESITATION THAT ***WE HAVE NEVER EXPERIENCED WATER/SEWER RATES THAT WE NOW HAVE IN CORTE BELLA***. IT IS OUR UNDERSTANDING THAT WE HAVE THE MOST EXPENSIVE RATES ***IN THE COUNTRY***—NOT JUST ARIZONA BUT THE ENTIRE COUNTRY.

WE ARE VERY CAREFUL WITH ALL NATURAL RESOURCES/UTILITIES AND USE THEM JUDICIOUSLY—MAINLY TO CONTROL COSTS. KAREN OPERATES THE DISHWASHER ONCE A WEEK USING “LIGHT CLEAN” (WE USE PAPER PLATES WHEN POSSIBLE) AND USES THE CLOTHES WASHER/DRYER SPARINGLY, AGAIN USING THE “LIGHT CYCLE” SETTING. (HOW DIRTY CAN TWO, NON-EMPLOYED SENIORS GET)? CARS ARE TAKEN TO THE CAR WASH AND THE DOGS TO THE GROOMER.

KAREN IS A MASTER GARDNER AND HAS STUDIED AND KNOWS LANDSCAPING PRINCIPLES, ESPECIALLY XERISCAPE. SHE UNDERSTANDS THE TRICKY BALANCE OF NOT ENOUGH WATER AS WELL AS TOO MUCH WATER AND THE EFFECT ON PLANTS. SHE ADJUSTS THE AUTOMATIC WATERING SYSTEM TO ACCOUNT FOR THE CHANGES IN TEMPERATURE AND SEASONS

HERE ARE OUR THE MONTHLY USAGE RATES AND COSTS TO DATE:

<u>BILL DATE</u>	<u># GALLONS</u>	<u>\$ COST (TOTAL)</u>	<u>NOTES</u>
12/17/2013	4,000	138.95	
1/17/2014	15,000	182.28	DRAIN & FILL POOL
2/18/2014	6,000	142.61	
3/17/2014	4,000	119.75	
4/15/2014	9,000	106.43	
5/15/2014	11,000	171.80	SOLAR COVER REMOVED FOR THE SEASON
6/16/2014	11,000	171.80	
7/16/2014	16,000	199.11	HAD GUESTS, 2 WEEKS
8/15/2014	12,000	180.08	

CONSIDER THIS: AT 12,000 GAL. OF WATER USAGE, IT MEANS WE ARE CONSUMING APPROXIMATELY 400 GALLONS A DAY AND SENDING 234 GAL. OF SEWAGE A DAY TO THE TREATMENT PLANT. QUITE AN ACCOMPLISHMENT!

THE LANDSCAPING AND POOL REQUIRES MORE WATER IN THE SUMMER MONTHS—THAT IS A GIVEN. **HOWEVER**, I BELIEVE THAT A SUBSTANTIAL AMOUNT OF THE WATER USAGE IS NOT FOR IN-HOME USE, IT IS FOR IRRIGATION AND POOL WATER USAGE (EVAPORATION). HAVING EXPERIENCED AN ALMOST DEADLY MOTORCYCLE ACCIDENT 3 YEARS AGO, THE POOL IS A FORM OF THERAPY FOR BOTH OF US. I SERIOUSLY DOUBT THAT WE SEND OVER HALF OF OUR WATER BACK AS SEWAGE FOR TREATMENT!

I HAVE ENCLOSED A PORTION OF AN ARTICLE THAT APPEARED IN THE ARIZONA REPUBLIC—COMMUNITY NEWSPAPER ON FRIDAY, AUG. 8. THE CRUX OF THE ARTICLE IS HOW SEVERAL WEST VALLEY COMMUNITIES RESIDENTS ARE LEARNING—AND REDUCING USE OF WATER RESOURCE. THE MOST INTERESTING STATISTIC WAS FROM JENNIFER STEIN, PEORIA SPOKESWOMAN:

“RESIDENTS NOW (ARE) USING AN AVERAGE OF 125 TO 150 GALLONS PER DAY, DOWN FROM 250 GALLONS”.

THEY ARE USING XERISCAPE (AS ARE WE AND PROBABLY EVERY RESIDENT OF CBCC, SINCE IT WAS ORIGINALLY INSTALLED MOSTLY BY DEL WEBB/PULTE. HOW IN GOD’S NAME CAN WE USE THAT MUCH WATER AND SEND THAT MUCH EFFLUENT TO THE PROCESSING PLANT ?

AT THE MEETING WITH EPCOR, I ASKED A QUESTION OF THE EPCOR VICE-PRESIDENT AS TO WHY WE COULD NOT INSTALL A SEPARATE METER FOR IRRIGATION AND OUR POOL—THIS WATER **NEVER** REACHES THE WASTEWATER TREATMENT PLANT WHICH INTERESTING ENOUGH WE SHARE WITH SOME SUN CITY WEST RESIDENTS (BUT THEIR RATE IS GREATLY REDUCED).

I WAS TOLD THAT IN ORDER FOR US OR ANYONE ELSE TO HAVE A SEPARATE WATER METER FOR IRRIGATION AND POOL WATER, WE WOULD BE REQUIRED TO HIRE A CONTRACTOR TO CUT THE SIDEWALK, THE ROAD AND DIG DOWN TO THE MAIN LOCATED IN THE STREET—YOU CAN DO THIS IN LAKE HAVASU—HE SAID IT IS STATE LAW! THERE IS A MAIN FEED ALREADY SERVING OUR PROPERTY—WOULD IT NOT BE PRUDENT FOR A LICENSED CONTRACTOR TO PLACE A TEE ON THE FEED LINE COMING FROM THE IN THE STREET MAIN AND INSTALL A SEPARATE METER AND THEN PLACE AN ADDITIONAL FEED TO OUR IRRIGATION AND POOL LINES? IS THERE A LAW THAT FORBIDS US FROM HAVING AN EXTRA METER?

I RECENTLY TALKED TO OUR NEXT DOOR NEIGHBOR IN CBCC. THEY ARE IN INDIANA FOR THE SUMMER MONTHS. HIS SEWER RATE IS BASED ON HIS “USAGE” OF 12000 GAL OF WATER. HIS SEWER RATE IS BASED ON THAT AMOUNT OF WATER. HIS COMBINED BILL IS ABOUT \$180. HOW CAN A VACANT RESIDENCE USE THAT MUCH WATER AND THAT MUCH SEWAGE WHEN THE HOUSE IS VACANT. HE IS ONLY USING WATER FOR IRRIGATION!

WHY DOES THIS, AS I SEE IT, DISCRIMINATING PRACTICE OF RATE POLICIES EXIST IN CBCC AND THE OTHER COMMUNITIES SERVED BY EPCOR—WHICH IS GOVERNED BY THE ACC?

WHY DO I PAY MORE FOR THE USING THE SAME SEWAGE PLANT AS MY NEIGHBORS IN SCW? WHY DO I PAY FOR SEWAGE THAT NEVER REACHES THE SEWAGE PLANT? WHY CAN'T I HAVE AN ADDITIONAL METER INSTALLED TO METER (POOL AND IRRIGATION) WATER WITHOUT DIGGING UP THE SIDEWALK AND STREET WHEN I ALREADY HAVE A MAIN LINE ON MY PROPERTY?

WHEN THE DECISION OF THE ACC TO DE-CONSOLIDATE ANTHEM, DID NOT THE COMMISSION CALCULATE THE ENORMOUS EFFECT IT WOULD HAVE ON OTHER PEOPLE IN THE SAME DISTRICT? HOPEFULLY THIS WAS NOT A POLITICAL DECISION—8500 RESIDENTS OF ANTHEM VERSUS 1600+ IN CORTE BELLA AND THE COMMUNITIES EAST OF EL MIRAGE RD.

TO REPEAT—WHEN THE COST OF WATER AND WASTE WATER IS THE HIGHEST IN THE NATION, PROVIDED BY THE SAME COMPANY (EPCOR) BUT WITH DIFFERENT RATES, I BELIEVE THAT THE DECISIONS OF A STATE ELECTED COMMISSON ARE SUSPECT.

THIS PRACTICE MUST BE RE-EXAMINED. FAIR AND EQUITABLE MUST RATES BE CHARGED ACROSS THE BOARD ON ALL SERVICES PROVIDED BY EPCOR. THIS SMACKS OF BLATANT DISCRIMINATION.

THANK YOU FOR YOUR INTEREST IN THIS MOST IMPORTANT MATTER.
