Comments: Dear Commissioners, As a State Representative representing constituents in Sun City and Youngtown, I request you vote in favor of a public comment hearing on the EPCOR waste water consolidation issue to be held in Sun City. SCHOA has told me that so far 6,500 petition signatures opposing the full consolidation plan have been collected in addition to the Sun City and Youngtown constituents that have contacted the ACC directly. SCHOA and the Recreation Centers of Sun City have been involved in the effort. Sun City has recreation centers that can accommodate many people. In 2010, the Sun Dial Recreation Center in Sun City was able to accommodate 1,300+ people when the the commissioners attended a public meeting regarding potential EPCOR water consolidation of Sun City and Anthem. It is a good venue with plenty of parking for both Sun City and Sun City West residents. Thank you for your consideration. State Rep. Debbie Lesko
