Docket # RU-00000A-13-0294

IN THE MATTER OF THE PROPOSED
RULE MAKING TO MODIFY A.A.C.R14-2-103
TO UPDATE THE UTILITY CLASSIFICATIONS

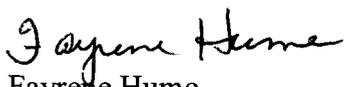

Arizona Corporation Commission & Staff

As a response to the proposed rule to modify utility classifications;

The Ash Fork Development Association **supports** the changes proposed.
This will positively impact our water utility that is currently classed as a C-Utility with income in the \$300,00 range into a more appropriate level of a Class-D Utility.
The chief benefits we recognize are a more simple, straight forward and less costly rate making process.

I hope that the benefits for the smaller utilities will be recognized and this modification to the customer class be approved.

Respectfully Submitted,

Fayrene Hume
Chairman, Ash fork Development Association
