Stop APS and TEP from monopolizing solar: TEP: E-O1933A-14-0248 APS: E-01345A-13-0140

Dear Commissionser,

Please reject APS and TEP's attempts to monopolize solar power. These proposals would make ratepayers pay millions for a resource that is already provided through the free market.

Don't let APS raise our rates and undercut the solar industry Arizona has worked so hard to build.

Received five e-mails in opposition

Reject TEP and APS's attempts to control rooftop solar: TEP: E-01933A-14-0248 APS: E-01345A-13-0140

Dear Commissionser,

I urge you to reject TEP and APS's attempts to own rooftop solar systems. This program would undermine Arizona's solar industry and result in higher costs for all ratepayers.

Subject: Stop APS and TEP from monopolizing solar: TEP: E-O1933A-14-0248 APS: E-01345A-13-0140

Dear Commissioner,

Please reject APS and TEP's attempts to monopolize solar power. These proposals would make ratepayers pay millions for a resource that is already provided through the free market. We recently had solar installed for many reasons. I lost my job and there is a scary promise of inflation that I do not see how it can be managed with low to middle income households in the future. I was excited to take advantage of something so wonderful to help my home and family. It's the sun it's a natural thing that provides many benefits. I understand APS wanting to keep a foothold But I want to keep my own foothold on having the freedom and ability to easily pay my bills and stimulate the economy in so many other ways.

Don't let APS raise our rates and undercut the solar industry Arizona has worked so hard to build.
