Re: **Well Repairs Surcharge and report**

DOCKETED BY

The Well Repairs Surcharge was a temporary funding measure to pay past-due bills for well repairs while the Company waited for ACC approval to get financing through WIFA. Between the surcharge and the WIFA loan, all of the past-due repair bills were paid in full. I respectfully request that Cerbat Water Company may discontinue having to file a quarterly report about the Well Repairs Surcharge which ended in March of 2012.

Respectfully,

Michelle Sharp
