Comments: I am writing to oppose the water rate increase proposed by Utility Source. We just recently moved to Bellemont and our water bill already increased significantly from Flagstaff's water rates. I am the mother of two children and a full time nursing student. My husband works full time and is in the Army reserve. We are living off one income and can barely pay our bills as is. I feel we already pay a sufficient amount for the water we use and a raise in the price of our water is not needed by this community right now. I thank you and hope you will take our pleas into consideration.
