To members of the Arizona Corporation Commission:

AZ CORP COMMISSION
DOCKET CONTROL

I own a small business in Arizona, and I would like to encourage you to retain and fully support Arizona's Energy Efficiency Standard.

Of late, I have found it more difficult to pay my energy bills. As you know, in order to live and thrive in the desert, Arizonans run their air conditioners and other appliances quite a bit.

I'm certain that more effective energy use, through Arizona's Energy Efficiency Standard can help more businesses succeed.

Sincerely,

ORIGINAL
