RE: Request for Informal Comment on Draft Energy Efficiency Rules- Docket No. E-00000XX-13-0214

Dear Colleagues and Parties to the Docket:

Concerning the draft Energy Efficiency Rules filed by our Utilities Division Staff on November 4, 2014, I have received numerous requests to extend the initial comment period beyond the two weeks originally proposed. Given the importance of this issue and the large amount of interest by stakeholders, I would like to extend the deadline for initial comments by two weeks until December 2, 2014.

I appreciate and welcome the input of all interested parties in the development of these rules. I plan on placing this matter on a future staff meeting as soon as practicable so that I may discuss this with my colleagues.

Thank you,

Bob Stump  
Chairman
