Docket-No. E-00000XX-13-0214

Dear Chairman and Commissioners,

My name is Kent Bader and I am a customer of Unisource in Tubac.

I write to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These standards work to lower utility bills for my neighbors and I and also help make Arizona an affordable place to live and work.

ORIGINAL

Because of these standards we now have 22 photovoltaic panels for electricity and one for hot water. Since installation we have saved several hundred thousand pounds of carbon dioxide from polluting our air.

I am confident you will do the right thing for Arizona and our state's economy. I respectfully urge you to continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,

Kent Bader
