Docket-No. E-00000XX-13-0214

ORIGINAL

Dear Chairman and Commissioners,

As a customer of Tucson Electric Power, I'd like to voice my support of the existing Arizona Energy Efficiency Standards.

I write to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These standards work to lower utility bills for my neighbors and I and also help make Arizona an affordable place to live and work.

I am confident you will do the right thing for Arizona and our state's economy. I respectfully urge you to continue to support the Energy Efficiency Standards adopted in 2010.

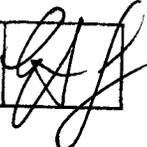

Thank you,

Deron Beal
