ATTACHMENT 1

E. Estimated bills will be issued only under the following conditions:

(1) Failure of a Customer who reads his/her own Meter to deliver the Meter reading information to SSVEC in accordance with the requirements of SSVEC billing cycle.

(2) When severe weather conditions which prevent SSVEC from reading the Meter, remote locations which make it uneconomical to read on a monthly basis, emergencies or work stoppage prevent actual Meter readings.

(3) Circumstances that make it dangerous or impossible to read the Meter, ~~i.e.,~~ including but not limited to: locked gates, blocked Meters, vicious or dangerous animals, etc.

(4) Communications issues with automated metering.

~~(4)(5)~~ The billing is not the first or final billing for Electric Service.

~~(5)(6)~~ Due to Customer equipment failure, a one-month estimation will be allowed.

F. Each bill based on estimated usage will indicate that it is an estimated bill.

2.9 METER READING

2.9.1 COMPANY OR CUSTOMER METER READING

A. SSVEC may, at its discretion, allow for Customer reading of Meters.

B. It shall be the responsibility of SSVEC to inform the Customer how to properly read his/her Meter.

C. Where a Customer reads his or her own Meter, SSVEC will read the Customer's Meter at least once every six (6) months.

D. SSVEC shall specify the timing and other requirements for the Customer to submit his or her monthly Meter reading to conform to SSVEC's billing cycle.

E. In the event the Customer fails to submit the reading on time, SSVEC may issue the Customer an estimated bill.

F. Meters shall be read monthly on as close to the same day as practical.

2.9.2 MEASURING OF SERVICE

A. All Energy sold to Customers and all Energy consumed by SSVEC, except that sold according to fixed charge schedules, shall be measured by commercially acceptable measuring devices owned and maintained by SSVEC, except where it is impractical to install Meters, such as street lighting or security lighting, or where otherwise authorized by the ACC.
