Dear Chairman and Commissioners,

My name is Kate Murphy and I am a customer of Arizona Public Service.

I write you to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These Standards are working to lower utility bills for me and my neighbors, protect vulnerable community members with weatherization and bill assistance, and make Arizona an affordable place to live and work.

I am confident you will do the right thing for Arizona and our state's economy. Please continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,

Kate Murphy
