Comments

Arizona Solar Deployment Alliance ("ASDA"), by and through undersigned counsel, submit the following comments to Arizona Public Service's ("APS") AZ Sun program as modified by APS' filing on December 3, 2014 in the above captioned dockets.

ASDA has been a supporter of this type of program from the time it was first brought up. As with anything, the way in which the program is structured and administered will determine how successful it will be. Based upon the recent filing by APS, ASDA believes AZ Sun will give customers choices in the marketplace while fulfilling laudable goals of APS. For these reasons, ASDA is supportive of the revised AZ Sun program.
