PUBLIC NOTICE OF HEARING ON THE RATE APPLICATION OF RED ROCK UTILITIES, LLC Docket No. WS-04245A-14-0295

On August 4, 2014, Red Rock Utilities, LLC ("RRU" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for approval of a rate increase for its water and wastewater services.

The Company proposes to increase its Water Division's annual revenues by \$14,480, or 2.72 percent. If the Company's position were to be adopted, the average monthly bill for a residential customer using 5,155 gallons with a 5/8 x 3/4 inch meter would increase \$0.54, or 1.44 percent, to \$39.03. The increase will vary between customer classes and among individual consumers within a class depending on usage.

The Company proposes to increase its Wastewater Division's annual revenues by \$356,955, an increase of 74.75 percent. If the Company's proposal is adopted, the monthly charge for a 5/8 x 3/4 inch metered customer would increase \$30.03, or 76.70 percent, from \$39.50 to \$69.80, however, the Company is proposing to phase-in the rate increase evenly over 5 years, which would increase the monthly charge by \$6.06 per year. The amount of the increase also varies by meter size.

The Commission's Utilities Division Staff has not yet made a recommendation regarding the Company's rate proposals, and the Commission will determine the appropriate rate relief to be granted based on the evidence of record in this proceeding. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and, therefore, the final rates approved in this docket may be lower or higher than the rates described above.

How You Can View or Obtain a Copy of the Rate Proposal

If you have any questions concerning how the Company's rate proposal will affect your bill or have other substantive questions about this application, you may contact the Company at: Mark Welberg, 2200 E. River Road, Ste. 115 Tucson, AZ 85718, (520) 577-0200, mwelberg@diamondven.com. Copies of the application and proposed tariffs are available at the Company's offices and at the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona and its Tucson offices, 400 West Congress, Suite 218, Tucson, Arizona, and on the internet via the Commission website (/www.azcc.gov/) using the e-docket function.

Public Hearing Information

The Commission will hold a hearing on this matter beginning April 22, 2015, at 10:00 a.m., at the Commission's offices, Room 222, 400 West Congress, Tucson, Arizona, 85701.

Public comments will be taken at the beginning of the hearing. Written public comments may be submitted by mailing a letter referencing Docket No. WS-04245A-14-0295 to Arizona Corporation Commission, Consumer Services Section, 1200 West Washington, Phoenix, AZ 85007, or by email. About Intervention

The law provides for an open public hearing at which, under

appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you wish to intervene, you must file an original and 13 copies of a written motion to intervene with the Commission no later than February 6, 2015, and a copy of the motion to RRU or its counsel and to all parties of record. Your motion must contain the following:

1. Your name, address, and telephone number and the name, address and telephone number of any party upon whom service of documents is to be made, if not yourself.
2. A short statement of your interest in the proceeding (e.g., a customer of the Company, etc.).
3. A statement certifying that you have mailed a copy of the motion to intervene to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before February 6, 2015. If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor. For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/interven.pdf>. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.
