Re: Docket # E-01345A-14-0113

Judge Jibilian;

This is just a note to let you know that, while I know months have gone by since you gave me as much time as I needed to rewrite my complaint in the above docket, I have not forgotten to do that. I was in the middle of researching for doing just that when the ADHS "smart" meter study came out, and since then I have been busy with that and other "smart" meter related dockets, issues and of course the 12/12/2014 ACC meeting which I am still reviewing.

Again, I appreciate the open ended time limit you have given me and I will be working on the complaint rewrite as soon as possible.

Today, I will also mail a copy of this letter to Thomas Mumaw, APS's lawyer.

Sincerely,

Warren Woodward
