ORIGINAL

Hello, my name is Helmuth Hack, I live in the Youngtown area which is serviced by Sun City Water and Wastewater infrastructure.

Recently, 12/23/2014, an Agreement between Sun City Homeowners Association, and other areas, with Epcor Water was approved by the Commission. I believe this "Agreement", was filled with deception, illegal claims and claiming in the Document that it was legal and lawful when in fact it is the opposite. Epcor's request for rate increase and request for Consolidation is illegal and unlawful.

I am asking that this approval by the Commission be reversed, dismissed in regards to this Agreement to take effect January 1, 2015.

I would like to present my research finding on this matter.

Sincerely, Helmuth Hack
