Docket # E-00000XX-13-0214

Dear Chairman and Commissioners,

Our name is Kevin & Darla Jackson and we are customers of Salt River Project in Mesa, AZ.

We write you to urge you to oppose any reopening or revisions to Arizona's Energy Efficiency Standards.

We had a Home Performance Energy Audit done in 2013 and have saved \$100s of dollars in our utility bills. These Standards are working to lower customer utility bills and to make Arizona an affordable place to live and do business.

We are confident you will do the right thing for Arizona and our state's economic development. Please continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,
Kevin & Darla Jackson
