Dear Chairman and Commissioners,

2014 NOV 18 PM 4:43

My name is Tanya Wright and I am a customer of UniSource Energy Services.

I write to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These standards work to lower utility bills for my neighbors and I and also help make Arizona an affordable place to live and work.

I am confident you will do the right thing for Arizona and our state's economy. I respectfully urge you to continue to support the Energy Efficiency Standards adopted in 2010.

My students have benefited greatly from these standards and so has Arizona!

Thank you,

Tanya Wright
