Docket-No. E-00000XX-13-0214

Dear Chairman and Commissioners,

My name is Stephanie Rivedal and I am a customer of UniSource Energy Services.

I write to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These standards work to lower utility bills for my neighbors and I and also help make Arizona an affordable place to live and work.

The Bright Energy program presented in our schools is a fantastic way to teach students easy ways to conserve energy. This program would be drastically reduced, especially for rural areas such as Kingman.

I am confident you will do the right thing for Arizona and our state's economy. I respectfully urge you to continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,

Stephanie Rivedal
