Re: Docket# E-00000XX-13-0214

Dear Chairman and Commissioners,

My name is Geary Morris. I am a homeowner in Tucson and a customer of TEP (Tucson Electric Power). I am writing to you regarding the proposed changes to the State of Arizona's Energy Efficiency standards – Docket# E-00000XX-13-0214.

It has been my experience as a former Arizona Lic. Home Inspector that these standards are critical to not only the health and safety of consumers but to protect them against ever rising utility costs. I urge you to maintain the existing standards for the protection of All utility consumers.

Sincerely,

Geary Morris
