Docket # E-00000XX-13-0214

Dear Chairpersons,

My name is Maria Brown. I am a long time customer of both APS and SRP as well as a valley native. I am urging you to oppose any reopening or revisions to Arizona's Energy Efficiency Standards. The standards have served us well working to lower utility bills and make Arizona energy affordable.

I am hopeful you will do the right thing and continue to support the Energy Efficiency Standards adopted in 2010.

Thank you!

Maria Brown
