RE: IN THE MATTER OF THE APPLICATION OF ARIZONA PUBLIC SERVICE COMPANY FOR A SOLAR ELECTRICAL SUPPLY AGREEMENT (DOCKET NO. E-01345A-10-0339)

SUBJECT: Withdrawal of Application

On August 10, 2010, Arizona Public Service Corporation ("APS") filled an application for approval of a Solar Electric Supply Agreement with Luke Air Force Base ("Luke AFB"). A proposed order respecting the application was docketed on December 1, 2010, and was scheduled to be heard on the December 14, 2010 Open Meeting, but the item was pulled.

On August 22, 2014, APS filed to withdraw that application, because Luke AFB will now be hosting one of the APS's AZ Sun projects, as approved by the Commission in Decision No. 74237.

Luke AFB's participation in an APS AZ Sun project renders the planned Solar Electric Supply Agreement unnecessary. Staff has no objection to the Application being withdrawn.
