RE: LOMA LINDA WATER COMPANY.– APPLICATION FOR A RATE INCREASE, DOCKET NO. W-02211A-14-0419

LETTER OF DEFICIENCY

Dear Mr. Barney:

In reference to your rate application received on December 24, 2014, this letter is to inform you that your application has not met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff has found several deficiencies with your application, which are listed on a separate attachment. The 30-day sufficiency determination period will begin anew when the company corrects the deficiencies and Docket Control receives an original and sixteen copies of the corrected pages.

Staff discussed the deficiencies with you earlier this week, and your Company has until February 23, 2015, to correct the deficiencies or make other arrangements with Staff to remedy your rate application. If the corrections or other arrangements are not made by the above date, Staff will request your docket number be administratively closed. Docket Control will retain one copy of the original application for Commission records. You may file an original and sixteen copies of an updated application at a later date.

The Staff person assigned to your application is Mary J. Rimback. She can be reached at (602) 542-1331, or toll free at (800) 222-7000, if you have any questions or concerns.

Sincerely,

James R. Armstrong  
Chief Accountant-Finance & Regulatory Analysis Section

DOCKETED BY

LOMA LINDA WATER COMPANY LIST OF DEFICIENCIES

Please note: Some of these items were made available to Staff, but were not placed in the docket. Staff recommends the Company amend the application and include the following items:

1. The Bill Count for the 5/8 x 3/4 inch meters was not in the original docket, please file with your amended application.
2. Invoices (over \$150) for plant assets since the last rate case were not included in original application, please file with your amended application.
3. Invoices (over \$150) for Repairs and maintenance account 620 in the test year were not included in the original application, please file with your amended application.
4. The Arizona Department of Revenue ("ADOR") certificate of compliance letter of good standing was not included in the original application please file with your amended application.
5. The utility's most recent Arizona Department of Environmental Quality ("ADEQ") annual sampling fee invoice for its Monitoring Assistance Program ("MAP") was not included with the original application, please file with your amended application.
6. Pages 13, which shows the additions and retirements by year was not completed.
7. Page 14 did not start with your last prior Decision No. 63750 and show total additions and total retirements to the current test year ending December 31, 2013.
8. A statement from the county for property tax expenses incurred during the test year was not included in the original application, please file with your amended application.
