DOCKETED BY 

Re:

Motion to Intervene in the "Arizona Public Service Company (APS or Company)
Docket No. E-01345A-13-0069
Application for Approval of Service Schedule 17"

To Whom It May Concern:

We are hereby filing motion to intervene in the "Arizona Public Service Company (APS or Comapny) Docket No. E-01345A-13-0069 Application for Approval of Service Schedule 17".

We are residents and solar customers of APS in Sedona and therefore have an interest in the ramifications of APS' proposed policy to not allow solar customers to opt out of the frequently emitting microwave technology they intend to install for our special solar meter. This is prejudicial against solar customers and also was not in any contract when we "signed on" to install solar.

We also point out that if it is necessary to monitor our production remotely, this could be done safely (and for all opt out customers) with existing phone wires, which has been done elsewhere. Health and choice are essential in this issue.

We hereby certify that a copy of this Notice of Intervention has been mailed to APS, P.O. Box 53933, Sta. 3200, Phoenix, AZ 85072-3933.

Sincerely,

Richard H Pitcairn, PhD, DVM
Susan H Pitcairn, MS
