RE: Arizona Public Service Company Ocotillo Modernization Project  
Docket No. L-00000D-14-0292-00169

On January 30, 2015, Arizona Public Service Company issued a Request for Proposal (RFP) to acquire new resources that will provide Peaking Capacity to maintain supply reliability during peak demand periods. The resources will also provide flexibility to address variable load requirements and increasing levels of intermittent energy resources in the Company's service territory.

Pursuant to the Commission's Resource Planning and Procurement Rules A.A.C. R14-2-706(G):

A load-serving utility shall file with Docket Control a written notice of its retention of an independent monitor.

Therefore, APS provides notice that the Company has retained Navigant Consulting as an independent monitor for the Peaking Capacity RFP.

If you have any questions regarding this information, please contact Gregory Bernosky at (602)250-4849.

Sincerely,

Lisa Malagon
