RE: Staff's Letter of Insufficiency to Table Top Telephone Company, Inc.
Docket Nos. T-02724A-14-0412, T-01051B-14-0412 and T-20741A-14-0412

Dear Mr. Boos:

On December 16, 2014, Table Top Telephone Company, Inc. ("Table Top") Midvale Telephone Company, Inc. ("Midvale") and Qwest Corporation dba CenturyLink QC ("CenturyLink") filed an Application at the Arizona Corporation Commission ("Commission") for an Amendment to each of the Applicant's Certificate of Convenience and Necessity ("CC&N") to provide telecommunications services within the State of Arizona. The Application submitted is not yet sufficient. Attached is the information Staff needs to continue with its review of the Application.

Please provide the information being requested within **30 days** of the date of this letter. Please mail one original and thirteen copies of the responses to Docket Control, Arizona Corporation Commission, 1200 W Washington Street, Phoenix, AZ 85007-2927 and email a soft copy to Lori Morrison at lmorrison@azcc.gov. If no response is received, Staff will recommend that the Application be terminated. If the Application is terminated, the Applicant cannot provide to the requested CC&N extension area the telecommunications services that it is authorized to provide in Arizona, until such time as a new Application is filed with and approved by the Commission.

Remember that information submitted concerning a CC&N will be made a part of the public record (including financial statements). Any information designated as confidential will not be accepted by Docket Control. Should there be any questions, please contact Lori Morrison at 602-542-2179. Thank you for your prompt response to this request.

Respectfully,

Lori Morrison

STAFF'S FIRST SET OF DATA REQUESTS TO
TABLE TOP TELECOM COMPANY, INC. ("TABLE TOP" OR "COMPANY")
DOCKET NOS. T-02724A-14-0412
FEBRUARY 19, 2015

For each answer, please identify by name, title, and address each person providing information that forms the basis for the response provided.

In addition to a paper response, all information responses should also be provided in searchable PDF, DOC or EXCEL files via email or electronic media.

Please make sure each numbered item and each part of the item is answered completely.

STF 1.1 On Page 2, lines 7-8 of the Application, Table Top states it serves approximately 3,500 customers in its six Arizona exchanges. Please provide the following:

- a. The total number of business customers Table Top provides telecommunications services to as of December 31, 2014.
- b. The total number of residential customers Table Top provides telecommunications services to as of December 31, 2014.

STF 1.2 On Page 2, lines 11-19 of the Application, Table Top discusses how it has financed and completed networks upgrades and that its fiber optic lines traverse seven ranches and the United States Border Patrol office, each of which have requested telecommunications and broadband services from Table Top. Given that Table Top has facilities traversing each of the eight sites requested in this Application, will line extension charges be applicable to serve any the potential customers? If yes, please specify which customer(s) and why line extension charges are appropriate.

STF 1.3 For each service area identified in Exhibits A – H, please specify the following for each Exhibit:

- a. The number of potential residential customers.
- b. The number of potential business customers.
- c. Please indicate the approximate distance from Table Top's existing facilities to each prospective service address.
- d. Will the Zone 2 monthly recurring rate applicable?
- e. Has Table Top communicated its proposed local calling area and rates to each prospective customer? If yes, please specify how this information was communicated to the prospective customers. If no, please explain why not.

STF 1.4 In regards to the potential customers occupying the service area in Exhibit A:

- a. Has Table Top made prospective customers aware of differences in rates that may exist between Table Top, CenturyLink QC and/or Midvale Telephone Company, Inc.? If no, please explain why not.

- b. Please indicated the approximate distance from CenturyLink QC and/or Midvale Telephone Company, Inc., existing facilities, as applicable, to each prospective service address
- STF 1.4 Please describe with specificity, from each prospective customer's perspective located in Exhibit A, why it is advantageous to receive service from Table Top instead of from CenturyLink QC and/or Midvale Telephone Company, Inc. To the extent the Table Top is able, please include relative cost difference in the narrative.
- STF 1.5 Are there other prospective customers in the proposed transfer areas other than the ones described in the Application? If yes, have they been contacted by Table Top and what is their position in regards to the Company's Application?
- STF 1.6 Should Table Top's application be approved, how soon after a Commission Decision would the Company be able to provide service to the identified prospective customers?
- STF 1.7 Has Table Top performed a survey of the requested CC&N extension area to determine how many occupied structures are within it? If yes, please identify by township, range and section where occupied structures are located. Please identify business and residential separately.
- STF 1.8 If the response to STF 1.7 above is in the negative, what is the basis for the Company selection of the geography it wishes to add to its certificated area? Please respond with specificity.
- STF 1.9 Please identify, by township, range and section, any existing, or known to be planned, residential developments that are within the requested CC&N extension area.
- STF 1.10 On Page 3, lines 25-27, under Requests for Service, of the written requests for service from potential customers, please provide by year:
- a. how many residential;
 - b. how many business; and
 - c. identify the township, range and section where the potential customers located within?
- STF 1.11 Has Table Top conducted any study or other analysis regarding customer growth within the requested CC&N extension area? If yes, please summarize the results of such studies or analysis. If no, why hasn't the company done so?
