Re: Supplemental Filing In Support Of Errata Filing – UNS Gas, Inc.’s Supplementary Information Transportation of Customer-Secured Natural Gas (T-1 802-8) Docket No. G-04204A-11-0158, Decision No. 73142 (May 1, 2012)

On June 18, 2012, UNS Gas, Inc. (“UNS Gas”) filed a Notice or Errata to the original filing in compliance with Arizona Corporation Commission Decision No. 73142 to revise the PA-42 rate. In the process of reviewing our compliance, it was found that the Supplementary Information Transportation of Customer-Secured Natural Gas (T-1 802-8) (“Supplement”) that was previously filed, should also have been revised. The Supplement is only a summary of charges and UNS Gas has been charging the correct rate. UNS Gas hereby files the corrected Supplement for the Commission’s records.

If you have any questions, please contact Craig Jones at (520) 884-3726.

Sincerely,

Melissa Morales

**Supplementary Information Transportation of Customer-Secured Natural Gas**

Transportation customers procure their own gas and UNS Gas, Inc. ("Company") transports it from the connection with the interstate pipeline (at the city gate) over the Company's pipeline system to the customer's facility. To qualify, customers must use a minimum of 120,000 therms per year.

The rates per therm for transportation service from the city gate to the customer's facility are as follows:

|                               |                    |
|-------------------------------|--------------------|
| Large Volume Commercial       | \$0.2104 per therm |
| Large Volume Industrial       | \$0.1248 per therm |
| Large Volume Public Authority | \$0.1527 per therm |

Customers must also pay for the following items:

1. Charges for lost and unaccounted for gas in accordance with Tariff T-1 (Transportation of Customer-Secured Natural Gas);
2. A minimum Customer Charge of \$225.00 per month;
3. Telemetering equipment and a telephone line; and
4. The costs for delivery of gas to the city gate.
