PETITION - WATER/WASTEWATER DOCKET #'S:
W-01303A-09-0343 AND SW-01303A-09-0343

Petitions need to be returned to the Sun City Home Owners Association office

We the following signatories respectfully petition the Commission NOT to further consider "full consolidation."

Sun City resident EPCOR ratepayer signatories do hereby petition the Arizona Corporation Commission move and vote to remove the issue of "Full Consolidation" of EPCOR's districts presently included in the review of the matter per Dockets: W-01303A-09-0343 and SW-01303A-09-0343.

Dockets were issued decisions by the Commission and closed in 2012. One such decision was to reject the concept of "full consolidation" of the EPCOR water/wastewater districts. 2014 and April 15, 2014 (Docket Dates), the Arizona Corporation Commission (ACC) received petitions from the communities of Corte Bella, Cross River, Dos Rios and Coldwater King regarding their exorbitant high wastewater rates. The consolidated signatory count was approximately 3,400. The petitions clearly listed their expectations. In no case was there expectation thereof for "full consolidation" of the EPCOR wastewater districts nor any mention of any action relating to the Sun City wastewater district.

There was no complaint or mention of "full consolidation" until mentioned on page 6, item (3), which is contained in ACC's Staff recommendation document dated July 8, 2014.

The matter of "full consolidation" of EPCOR water/wastewater districts was ruled not in the best interest of the public in 2012. It is improper to be discussing and/or voting to overturn a previous decision without a full rate case and must be removed from the current proceedings.

The following Sun City resident EPCOR ratepayer signatories do hereby petition the Arizona Corporation Commission move and vote to remove the issue of "Full Consolidation" of EPCOR's wastewater districts presently included in the review of the matter per Dockets: W-01303A-09-0343 and SW-01303A-09-0343.

The aforementioned Dockets were issued decisions by the Commission and closed in 2012. One such decision was to reject the concept of "full consolidation" of the EPCOR water/wastewater districts.

On March 13, 2014 and April 10, 2014 (Docket Dates), the Arizona Corporation Commission (ACC) received petitions from the communities of Corte Bella, Cross River, Dos Rios and Coldwater Ranch requesting remedy for their exorbitant high wastewater rates. The consolidated signatory count was approximately 3,400. The petitions clearly listed their expectations. In no case was there mention nor expectation thereof for "full consolidation" of the EPCOR wastewater districts nor any mention of any action relating to the Sun City wastewater district.

There was no complaint or mention of "full consolidation" until mentioned on page 6, item (3), which is contained in ACC's Staff recommendation document dated July 8, 2014.

The matter of "full consolidation" of EPCOR water/wastewater districts was ruled not in the best interest of the public in 2012. It is improper to be discussing and/or voting to overturn a previous decision without a full rate case and must be removed from the current proceedings.

Re: **Docket No. W-01303A-09-0343; SW-01303A-09-0343, Wastewater Rate Design Examination**

I am opposed to full consolidation of all EPCOR wastewater districts.

I am not opposed to full consolidation of all EPCOR wastewater districts.

Comments: EPCOR (EDMONTON POWER CORP) DOESN'T REALIZE - OR IT DOESN'T MATTER TO THEM - THAT AN INCREASE OF THIS MAGNITUDE IS JUST BAD FOR CLIENTS & THE BUSINESS. IT SMACKS OF ETHICS BREACH. SUNCITY IS NOT CORTE BELLA IN EITHER CASE.
