Case No. 138

**NOTICE OF AGREED
"REVISED ASLD PROPOSED
CORRIDOR"**

AND

**REQUEST TO REVISE APS
APPLICATION TO AMEND**

22 The Arizona State Land Department ("ASLD") hereby files notice that the
23 following parties – ASLD, Arizona Public Service Company ("APS"), and SFI Grand
24 Vista, LLC, as well as the West Cloud Road Private Property Owners' Association for
25 whom a motion to intervene has been filed but not ruled upon – have reached agreement
26 on a revision to one of the amended corridors requested in APS's Application to Amend

1 Arizona Corporation Commission Decision No. 70850 Re CEC 138 (the "Application").
2 Diamond Ventures, Inc., and the City of Peoria have indicated to counsel that they have
3 no opposition to the revision and, in a separate filing, stated that they have no position on
4 the proposed amendment either as originally requested or as revised.

5 Consequently, ASLD hereby requests, with the agreement of the parties and
6 proposed intervenor as indicated above, that the Application be revised to replace what
7 had been referred to in the Application as the "ASLD Proposed Corridor" (*see*
8 Application, at 4) to instead include the "Revised ASLD Proposed Corridor" as depicted
9 on the attached map and fully described in the terms of Certificate of Environmental
10 Compatibility No. 138 as follows:

11 CEC No. 138 would be amended at page 5, beginning on line 16, to add three new
12 subsections as follows:

- 13 • A 1,500 foot-wide corridor that extends east along the Cloud Road alignment
14 for 2.1 miles from the centerline of the 235th Avenue alignment to a point
15 between 219th and 218th Avenues. The corridor width includes 1,500 feet
16 north of the centerline of the Cloud Road alignment.
- 17 • A 1,500 foot-wide corridor that extends for approximately 0.9 mile to the
18 northeast from a point on the centerline of the Cloud Road alignment that is
19 0.1 mile to the east of the centerline of the 219th Avenue alignment
20 (coincident with the point described above between 219th and 218th Avenues ,
21 which is 2.1 miles east of the centerline of 235th Avenue) to a point that is 0.5
22 mile north of the centerline of the Cloud Road alignment (the Maddock Road
23 alignment) and 1,500 feet west of the centerline of the 211th Avenue
24 alignment. The corridor width includes 1,500 feet perpendicular to and
25 northwest of the described line.
