April 29, 2015

To: The Arizona Corporation Commission Chairman and Commissioners:

I am the President of Homestead Park Homeowners Association, which is a community of 83 homes. We request the corporation commission CONFIRM the Line-Siting Committee's proposal; Docket # L-00000B-15-0059-00170. Members of our community have been actively involved in SRP's public process and we support the decision to remove Germann Road as a route possibility. Our neighborhood has been in negotiations with SRP for over two years. SRP's work to find a route on the Gila River Indian Community land is the right path and a true win for Chandler, Sun Lakes and GRIC. We support a 230kV path along a more common route for high voltage power lines, railroad tracks, commercial land, canals and undeveloped land. It is in the best interest of our association if the GRIC route is approved. Under no circumstances should Germann Road be considered as a proposed route for the 230kV Price Road corridor project.

Arizona Corporation Commission
DOCKETED

MAY 08 2015

Sincerely,

Michael Menghini
Board President
Homestead Park Homeowners Association
