Arizona Corporation Commission Chairman and Commissioners:

Stonefield is a community that runs along Germann Road and Dobson Roads. Stonefield Home Owner's Association represents 300 homes. The Stonefield Home Owner's Association asks the ACC to ratify the SRP and Line-Siting Committee proposals as per docket L-000008-15-0059-00170. We believe that the GRIC route is a true win for the neighbors of South Chandler. SRP has listened to the needs of the community after two long years of public negotiations. They have done an excellent job of finding a route that mitigates the vast majority of residences in Chandler and Sun Lakes. The GRIC route successfully places the power lines along locations where homeowners expect to find them: open land, commercial land, canals and railroad tracks. We urge the ACC to support the proposed route for the Price Road Corridor project.

Under no circumstances should Germann Road be considered as a proposed route for the 230kV Price Road corridor project.

Sincerely,

John Deogracias
