RE: Docket W-02151A, Winslow West Water Company, Inc.

To Whom It May Concern:

I am the Trustee of the Norman Jack Ross Revocable Trust, for the Estate of Norman Jack Ross, who passed away in 2013. Mr. Ross was the sole officer and stockholder of Winslow West Water Company, Inc., a small water utility that was providing service to approximately 10 mobile home lots near Winslow, Arizona, at the time of his death.

The company is no longer in business. Last year, in 2014, the ownership of the assets and equipment belonging to the company were transferred to the property owners using the services, so that they could take over the system and continue receiving water to their properties.

I am writing to ask for the cancellation of the Certificate of Convenience and Necessity associated with Winslow West Water Company, Inc., since that entity has been dissolved.

Please let me know if there is any additional information that you may require. Thank you for your attention to this request.

Sincerely,

Thomas R. Ross  
Trustee
