 9 CROSSING IN THE TOWN OF MARANA,
 9 ARIZONA.

DOCKET NO. RR-03639A-15-0200

REQUEST FOR PROCEDURAL
CONFERENCE

10 On June 17, 2015, Arizona Department of Transportation ("ADOT") filed an application with
 11 the Arizona Corporation Commission ("Commission") to grant Union Pacific Railroad ("Railroad")
 12 authority to modify the railroad-highway crossing located at the Ina Road at-grade crossing near the
 13 I-10 in Marana. Commission Railroad Safety Section Staff ("Staff") has examined the application
 14 and has concerns regarding the content of the application and whether the matter is sufficiently
 15 developed that it would be appropriate to process and grant such authority to the Railroad. Staff has
 16 been in communication with representatives of ADOT and the Railroad regarding Staff's concerns
 17 but has not received information that would dispel Staff's concerns. Consequently, Staff requests the
 18 scheduling of a procedural conference in this matter so that Staff may address its concerns to the
 19 Administrative Law Judge.

20 RESPECTFULLY SUBMITTED this 10th day of July, 2015.
