Sun Lakes, ALAZ 85248

Chandler and Tempe receive all of the tax monies from employers, employees, service industries, etc AND have the high usage of the power. These areas should shoulder both the financial and physical burdens. Germann already has the power line system running on it, so keep it there. Please DO NOT run along the residential community of Sun Lakes as it does not make sound business sense. Docket L-00000B-15-0059-00170.

Why do I have to be a business to post on this site? This site forced me to use a fake company and the incorrect docket number.
